

INTERNATIONAL STUDY ABROAD AND EXCHANGE

STUDY IN THE HEART OF SYDNEY

www.uts.edu.au/international

WELCOME

“Our international standing is reflected in our university rankings, including ranking 20th in the world in the QS Top 50 Under 50.”

I'm pleased to introduce you to the UTS Study Abroad and Exchange program; a world-class educational experience providing opportunities to broaden your academic, personal and professional horizons. The UTS Study Abroad and Exchange program offers an excellent education at one of Australia's quality teaching universities, combined with a rich, exciting learning experience in Australia's global city – Sydney.

UTS welcomes over 300 study abroad and exchange students each semester and I am always impressed by the cultural and linguistic diversity of students who choose to study abroad at UTS. With around 37,400 students from 120 different countries including Australia, UTS is a reflection of Sydney's multicultural diversity.

A place in the UTS Study Abroad and Exchange program offers you an internationally respected education. Our strong partnerships with industry and professional bodies produce courses that are innovative, industry relevant and cutting-edge.

Our international standing is reflected in our university rankings, which include being named among the top 25 universities worldwide for international outlook by *Times Higher Education* and ranking first in Australia and 20th in the world in the QS Top 50 Under 50.

In addition, the university's campus redevelopment program is delivering a campus of the future including a new library, collaborative learning and social spaces and Australia's first Frank Gehry-designed building.

As you read through this course guide, you will discover the benefits of studying at UTS and living in Sydney – where you can enjoy a world-class education in the heart of one of the world's great global cities.

I look forward to seeing you on campus in the near future.

Professor William R Purcell
Deputy Vice-Chancellor and
Vice-President
(International and Development)

In keeping with UTS's commitment to environmental sustainability, this prospectus has been produced using environmentally-friendly, vegetable-based ink. It is printed on Titan Plus – an environmentally responsible paper that is FSC Mixed Sources Chain of Custody (CoC) certified.

UTS has committed to a 30 per cent reduction in greenhouse gases (from 2007 levels) by 2020/21.

For more information, visit
www.sustainability.uts.edu.au

UTS is a member of the Australian Technology Network (ATN), an influential alliance of five distinctive and prominent Australian universities located in each mainland state. ATN is committed to forging partnerships with industry and government to deliver practical results through focused research.

The network educates graduates who are ready to enter their chosen profession, dedicated to the pursuit of knowledge and eager to claim a stake in building sustainable societies of the future; and continues to champion the principles of access and equity that have ensured its members are the universities of first choice for more students.

STUDY IN THE HEART OF SYDNEY

Located on Australia's east coast, Sydney is the state capital of New South Wales and the business heart of Australia – a national hub for global industries such as business, design, financial services, law, telecommunications and media. Sydney is a multicultural city with diverse attractions – from the natural beauty of its harbour and beaches, to a wealth of cultural venues and events, shopping, dining and night life.

SYDNEY FACTS

- > 4.5 million population
- > 4th most liveable city in the world for students, according to the QS Best Student Cities, 2014
- > 5th in the world for social experience based on the openness, tolerance and diversity of the population – 2013 Bank of Communications (China) Sea Turtle Index
- > ranked one of the 10 most livable cities in the world by Mercer (2014) and *The Economist* (2013)
- > one of the best 25 cities in the world for travellers according to *Condé Nast Traveler* magazine's Readers' Choice Awards, 2013
- > recognised with the World Festival and Event City Award by the International Festivals and Events Association, 2010 – 2013

TOP 10 THINGS TO DO AROUND SYDNEY

1. Cruise on Sydney Harbour – catch a ferry to Manly for fish and chips.
2. Visit the Sydney Opera House for a performance or just to enjoy the spectacular view.
3. Explore the buzzing markets in and around Sydney – from gourmet food to fashion.
4. Wander through the Royal Botanic Gardens and marvel at the view from Mrs Macquarie's Chair.
5. Catch a wave at the famous Bondi Beach (remember to swim between the flags!) or walk along the coastal track from Bondi to Coogee.
6. Walk across the Sydney Harbour Bridge and admire the breathtaking view (or climb it if you dare!).
7. Venture to the Blue Mountains for bushwalking and spectacular scenery.
8. Encounter unique Australian animals, and enjoy the views from Sydney's Taronga Zoo.
9. Watch a game of cricket or tennis, rugby league, AFL or soccer – for the best atmosphere, go with a fan.
10. Visit the nearby Hunter Valley for an adventure outside of Sydney.

UTS IS:

5 minutes walk to Central Station and Chinatown.

10 minutes walk to cinemas, theatres, cafes, galleries, markets and live music venues.

10 minutes by train to the Opera House.

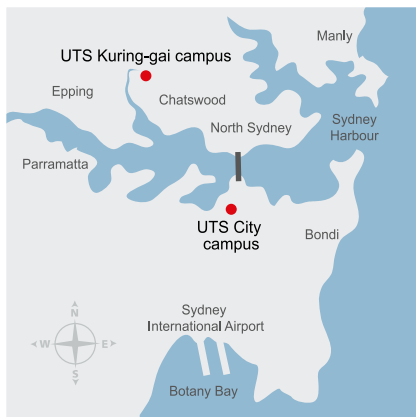

90 minutes by train to bushwalking, camping and rock climbing in the Blue Mountains.

30 minutes by public transport to Bondi Beach.

UTS Tower Building

CAMPUS TRAVEL TIMES

City campus to Kuring-gai campus:

approximately 40 minutes by shuttle bus (or one hour in peak traffic)

City campus to Bondi Beach:

30 minutes by public transport

WHERE WILL I STUDY?

The **UTS City campus** is in the heart of Sydney, a five-minute walk from Central Station – Sydney's major train and bus station. The university is located within the creative industries 'inner city triangle', the location of 39 per cent of Australia's head offices for creative industries and 70 per cent of its major international creative IT companies.

The **City campus** is home to Business, Communication, Design, Architecture and Building, postgraduate Education, Engineering, Information Technology, International Studies, Law, Nursing, Midwifery and Health, Pharmacy and Science students.

Our **Kuring-gai campus** is located in the beautiful Kuring-gai Chase National Park, just 30 minutes north-west of Sydney's Central Business District. It is home to undergraduate Education, accelerated Nursing, Sports Science and some of our Business students.

Public buses and trains travel to nearby Lindfield station, and there is a bus service from Lindfield to the campus. UTS provides a free shuttle bus service that runs regularly, from Monday to Friday, between the City and Kuring-gai campuses.

Note: 2015 is the last year that study will be offered on Kuring-gai campus. UTS will unite all learning, teaching and research activities at our City campus from the beginning of 2016.

SYDNEY'S CENTRAL BUSINESS DISTRICT

SYDNEY'S CITY UNIVERSITY

UTS is a modern university, offering one of the largest student mobility programs of any Australian university.

We provide a hands-on style of teaching and learning that builds practical skills and academic knowledge. With our focus on creativity and innovation, studying at UTS will challenge you to think critically and learn actively.

UTS STUDENT DIVERSITY

- > 34 per cent of students come from a non-English speaking background
- > 46 per cent of students were born outside Australia
- > 130 languages other than English are spoken by the student body

AREAS OF STUDY

UTS offers undergraduate and postgraduate subjects, as well as research programs to study abroad and exchange students in:

- > Business
- > Communication
- > Design, Architecture and Building
- > Education
- > Engineering
- > Health
- > Information Technology
- > International Studies
- > Law
- > Pharmacy
- > Science

STEPHAN STEVNSBORG

"The best thing about UTS is that it's a very vibrant and active university; it's very international, which makes it unique, in my point of view. You get to work with people from different areas of the country, as well as different areas in the globe. This is important for the future, because it allows you to build close ties and close connections."

Home country: Denmark and France

Studied: Tourism Management

YOUR PROGRAM OPTIONS

We offer a variety of study abroad and exchange options ranging from short winter school programs through one and two semester coursework programs and up to four semesters for postgraduate research.

So, whether you're interested in enrolling in standard classes, conducting research or improving your English, you'll find a program to suit your needs.

THINKING OF TAKING A GAP YEAR?

As a high school graduate, you may be able to join the study abroad program at UTS before you commence university in your home country! To see if you meet the entry requirements, refer to page 28 of this guide.

OPTION 1 STUDENT EXCHANGE

- > open to eligible students who are enrolled at an official UTS exchange partner institution
- > enrol in full-time studies and gain credit at UTS for **one or two semesters** with the approval of your home institution
- > you are not required to pay tuition fees to UTS, but may still pay regular fees at your home university
- > discuss your study plan with your home university academic adviser and our team will be happy to assist you with the subject approval process
- > once your exchange is approved by your home institution, they will submit your details to us on your behalf

OPTION 2 STUDY ABROAD

- > open to all students from any recognised university or college
- > enrol in full-time studies and gain credit at UTS for **one or two semesters** with the approval of your home institution
- > pay a flat fee to cover the cost of tuition
- > discuss your study plan with your home university academic adviser and our team will be happy to assist you with the subject approval process
- > apply to UTS directly or through one of our official student recruitment agents or a UTS representative in your home country

OPTION 3 STUDY ABROAD 18

- > identical to study abroad in most respects, Study Abroad 18 offers you the chance to study a **reduced number of credit points** (18 per semester rather than the usual 24) and **pay a lower tuition fee**
- > the lighter study load and lower costs make Study Abroad 18 an excellent way to experience more of Australian culture

For information on fees, entry requirements and how to apply, see pages 28-29

www.uts.edu.au/future-students/international/study-abroad-and-exchange-students

OPTION 4 VISITING RESEARCH STUDENTS PROGRAM

- > open to all graduate level research students enrolled in a master's by research or PhD at any recognised university or college
- > you can apply to undertake supervised research at UTS for **one to four semesters**, or seek to combine research and coursework with the approval of your home institution
- > you are required to pay a flat fee to UTS to cover the cost of supervision and tuition
- > discuss your research plans with your home university supervisor
- > you should then make contact with an appropriate supervisor at UTS

OPTION 5 AUSTRALIAN LANGUAGE AND CULTURE STUDIES

- > open to all students who do not meet the required English language level to enrol in other UTS study abroad and exchange programs
- > allows you to complete full-time studies that will develop your English language skills through the study of Australian language, society and culture
- > you can enrol in full-time studies at UTS for **one or two semesters** with the approval of your home institution
- > taught on campus by UTS faculty staff
- > students who enrol in this program for two semesters may choose to take an IELTS test at the end of their first semester in order to transfer into a different study abroad or exchange option for their second semester
- > in addition to English classes you will be 'buddied' with an experienced UTS student and you will attend excursions to places of cultural importance

OTHER STUDY ABROAD OPTIONS AT UTS

UTS also offers specialised packages such as a three-week **winter school program** and **Study Abroad plus internship**.

For more information on the full range of study abroad options currently available at UTS, visit www.uts.edu.au/future-students/international/study-abroad-and-exchange-students

STUDY AREAS AT UTS

UTS BUSINESS SCHOOL

www.uts.edu.au/future-students/business

Develop an advanced skill base through creative thinking, ethics and sustainability initiatives introduced in our programs. - > Screen Studies
- > Social Inquiry
- > Sound and Music Design
- > Video Production
- > Web Design

STUDY AREAS AT UTS

EDUCATION

www.uts.edu.au/future-students/education

With a strong, practice-oriented approach to learning, UTS prepares you to work in the educational contexts of primary and secondary school, and language, literacy and numeracy education. Benefit from innovative and interdisciplinary research, and learn from highly respected educators. Develop a strong blend of vocationally relevant skills including the ability to think constructively – a skill that's transferable to any job or discipline.

UTS Education ranked in the top 200 in the 2014 QS World University Subject Rankings.

STUDY AREAS

- > Literacy and Numeracy Teaching
- > Primary Education
- > Secondary Education
- > Teaching English as a Second Language (TESOL)

MANUELA DI GIOVANI

"The teaching course provides potential teachers with the opportunity to learn theoretical subjects important to their own development, such as Psychology of Adolescent's Learning."

Home country: Italy

Studied: Teaching in Secondary Education (language)

IN 2013, UTS ARTS AND SOCIAL SCIENCES HAD:

4955 students

DANIEL (YIJIU) HU

"The networking principles I learnt are applicable to my daily life and to business. I like that UTS is flexible - we can tailor our study strategies to our own needs and passion."

Home country: China

Studied: E-Business and Consulting

INFORMATION TECHNOLOGY

www.uts.edu.au/future-students/information-technology

A leader in practice-based IT education in Australia, our courses are regularly updated to reflect this rapidly changing industry. In addition UTS: IT is a Cisco Regional Academy and has four specialist internetworking labs resourced with the latest equipment from Cisco Systems.

You will develop a strong mix of business and technical skills, and learn how to work as part of a team. In the 2014 QS World University Subject Rankings, UTS: IT was ranked in the top 150 in 'Computer Science and Information Systems'.

STUDY AREAS

- > Business Analysis
- > Computer Science, Data Mining and Data Analytics
- > Games Development
- > Information Systems
- > IT Management and Leadership
- > Multimedia and Graphics
- > Software Development and Programming
- > System Design and Analysis
- > Web and Cloud Computing

ENGINEERING

www.uts.edu.au/future-students/engineering

UTS offers a research-inspired education in engineering, with practical course content that is current and relevant to today's world. You will have access to advanced facilities such as the world-leading Engineering Remote Laboratory, where you can conduct experiments in real time, from anywhere at any time, using state-of-the-art equipment.

In the 2014 QS World University Subject Rankings, UTS: Engineering was ranked in the top 150 for 'Civil and Structural Engineering' and in the top 200 in 'Electrical Engineering' and 'Mechanical Engineering'.

STUDY AREAS

- > Biomedical
- > Civil
- > Civil and Environmental

IN 2013, UTS HAD:

1535 higher degree research students

MARGARITA VIDAL LIZAMA

"One of my favourite things about my course is my supervisor, she's a great professor – she has a lot of experience in her field and she's a wonderful person. She's very easy to work with and has been great at guiding me through this whole process. We also have a lot of support and facilities available to us – such as seminars on writing. We've had weekly seminars with other students to discuss our ideas and share what we're working on."

Home country: Chile

Studied: Doctor of Education

AUSTRALIAN LANGUAGE AND CULTURE

www.uts.edu.au/future-students/international/study-abroad-and-exchange-students

UTS offers a group of subjects in Australian Language and Culture that are designed to strengthen your academic English level and give you an improved understanding of contemporary Australian culture.

These subjects are available as individual electives within all UTS study abroad and exchange programs.

The full suite of Australian Language and Culture subjects is also available as a stand-alone program. If you need additional English language support or you do not meet English language entry requirements to enrol in other academic areas, this program could be appropriate for you.

Australian Language and Culture Studies is taught on campus by UTS faculty staff. Students who enrol in this program for two semesters may choose to take an IELTS test at the end of their first semester in order to transfer into a different study abroad or exchange option for their second semester.

IN 2013, UTS ARTS AND SOCIAL SCIENCES HAD:

4955 students

STUDY AREAS

- > Australian Language Studies
- > Australian Media
- > Australians at work
- > Australian conversations
- > Performing Australia
- > Natural Australia

HUA HAN

"Studying here has really improved my critical thinking, my English and horizons. These subjects gave me a precious chance to get to know more about Australian culture."

Home country: China

Studied: Australian Language and Culture

RESEARCH

www.uts.edu.au/research-and-teaching/our-research

UTS focuses on applied, impact-driven research that shapes the world we live in. We believe in practical innovation – driving change and finding practical solutions to issues of national and international importance. All fields of UTS research have been benchmarked at world standard or above world by the Australian Government's Excellence in Research for Australia (ERA) evaluation.

As a visiting research student with a suitable academic background, you can seek supervision in any of the following areas:

FUTURE SERVICES, INDUSTRIES AND PRODUCTIVITY

- > Intelligent Mechatronic Systems
- > Innovation in IT Services and Applications
- > Materials and Technology for Energy Efficiency

COMMUNICATION AND INTELLIGENT SYSTEMS

- > Human Centred Technology Design
- > Real-time Information Networks
- > Quantum Computation and Intelligent Systems
- > Advanced Analytics Institute

HEALTH FUTURES

- > Health Economics Research and Evaluation
- > Health Technologies
- > Health Services and Practice
- > ithree institute (infection, immunity, innovation)

SUSTAINABILITY AND THE BUILT ENVIRONMENT

- > Transforming Cultures
- > Strengthening Indigenous Communities

- > China Research Centre
- > Creative Practices and Cultural Economy

BUSINESS INNOVATION

- > Corporate Governance
- > Management and Organisation Studies
- > Quantitative Finance Research
- > Study of Choice

CHOOSING YOUR SUBJECTS

As a study abroad or exchange student, you can choose from hundreds of subjects, across a range of disciplines.

Review your study plan to see what type of subjects you need to take while studying at UTS. If you have electives, you can choose from a range of subjects, however, in order to transfer credit, you might need to study specific subjects.

STEP 1. DOWNLOAD SUBJECT GUIDES

Download our comprehensive online guides for study abroad and exchange students for detailed information about the subjects we offer in:

BUSINESS

COMMUNICATION

DESIGN, ARCHITECTURE & BUILDING

ENGINEERING

INFORMATION TECHNOLOGY

SCIENCE

GENERAL ELECTIVES

Find the Subject Advice Guide for your study area here:

www.uts.edu.au/future-students/international/study-abroad-and-exchange-students/steps-applying#tips-for-selecting-subjects

For further information about subjects offered across all study areas at UTS, visit www.handbook.uts.edu.au

STEP 2. CHOOSE SUBJECTS USING SUBJECT CHECKLIST

A full-time load for one semester is usually between 18 and 24 credit points. When choosing subjects, check:

- ☒ the credit point value for each subject
- ☒ whether the subject is available in the correct semester Autumn semester (February start) and/or Spring semester (July start)
- ☒ which campus the subject is held at
- ☒ if there are pre-requisites or assumed knowledge. In some cases, if you have taken an equivalent subject in the past, you can apply for an exemption.

STEP 3.

Once you have chosen – or shortlisted – subjects you think fit your study needs, print out the full subject outline from the UTS Handbook. (You can find this by clicking the relevant subject number in our subject choice guides.)

Take the print outs to your academic adviser at your home university for approval **before you apply** to study at UTS.

Note: Subjects with a practical component (such as nursing and teacher education) are restricted. Applicant's eligibility to enrol in these subjects will be assessed on an individual basis.

Note: Some subjects include excursions and these may incur extra costs.

WE PRE-ENROL YOU BEFORE YOU ARRIVE

Once your subjects are approved by both your home institution and by UTS, we will enrol you into your study plan.

CREDIT, CLASSES AND ASSESSMENT

Study arrangements at UTS will be different from your home institution. Learn more about classes, assessment and gaining academic recognition for your study at UTS.

CREDIT TRANSFER

Study abroad and exchange students must enrol in a full-time load at UTS. The full-time study load is 18-24 credit points per semester. Credit points apply to all subjects (except higher degree research programs) and represent a measure of the student's workload by subject. Most subjects at UTS are 6 credit points each except for those offered by the Faculty of Arts and Social Sciences which are 8 credit points.

CREDIT POINTS

The information below is a guide to the equivalent credit points from your home country to UTS credit points.

EUROPE

| | |
|---------------------------------------|-------------------|
| 1 UTS credit point | 1.25 ECTS credits |
| 6 UTS credit points | 7.5 ECTS credits |
| 8 UTS credit points | 10 ECTS credits |
| 24 UTS credit points (full time load) | 30 ECTS credits |

NORTH AMERICA

| | |
|---------------------------------------|----------------------------------|
| 6 UTS credit points | approx. 4 US credit hours |
| 8 UTS credit points | approx. 5 US credit hours |
| 24 UTS credit points (full time load) | approx. 15 or 16 US credit hours |

CHINA

If you are a student coming from China, you will find that 24 UTS credit points are approximately equivalent to 7-9 subjects at most Chinese universities.

CONTINUOUS ASSESSMENT

Information about coursework assessment is given to you in the first lecture of each subject. Regular written assignments, tutorial participation, practical work, projects, short tests, seminar presentations and a final examination may form part of the assessment. In some subjects, the final examination may be worth 20 to 60 per cent of the final subject grade. Some subjects have no final examinations.

CLASS SIZES

Class sizes vary depending on the popularity of a subject and the nature of teaching. Normally, subjects involving tutorial classes have 15 to 25 students in a classroom.

Most UTS subjects are taught through a mix of lectures and tutorials, seminars or laboratory sessions. These normally total between 12 and 24 hours per week.

ACADEMIC YEAR

The academic year is divided into two main semesters:

- > February to June (Autumn semester)
- > July to November (Spring semester).

Each semester has 14 weeks of teaching.

Note: The UTS Academic Calendar is under review from 2016. UTS reserves the right to change the Calendar, including but not limited to, the organisation of study periods. If your course start or end dates, study periods or course structure change or are affected in any way as a result of this review, UTS will provide relevant information and assistance with study plans.

ACADEMIC TRANSCRIPTS

UTS automatically issues transcripts at the end of each semester. The transcript is a record of subjects studied, final grades and marks awarded.

As an **exchange student**, you will receive your academic transcripts from UTS through your home institution. At the end of each semester, the exchange officer will send two academic transcripts to the international office at your home university.

As a **study abroad student**, one original transcript is sent to your home address or your authorised representative. Upon request, an official copy of the transcript can also be sent to your home institution for credit transfer processing. Your home institution will determine how credit will be transferred.

STUDY ABROAD CERTIFICATES

Students who successfully complete the UTS Study Abroad program are issued a Certificate of Completion. If you take at least two subjects from a recognised UTS major in any field of study, you may request a discipline specific Study Abroad Certificate. This certificate is issued with your academic transcript from UTS.

STUDENTS ARE AWARDED ONE OF THE FOLLOWING GRADES AFTER COMPLETING A SUBJECT AT UTS

| | | |
|----------------------|---------|--|
| H – High Distinction | 85–100% | Work of outstanding quality on all objectives of the subject |
| D – Distinction | 75–84% | Work of superior quality on all objectives of the subject |
| C – Credit | 65–74% | Work of good quality showing more than satisfactory achievement on all objectives of the subject |
| P – Pass | 50–64% | Work showing a satisfactory achievement on all objectives of the subject |
| Z – Fail | 0–49% | Work showing an unsatisfactory achievement on one or more objectives of the subject |

Note: Some courses award only a Pass or Fail grade. Semester 1 results are released in mid-July, with Semester 2 results released in mid-December.

SERVICES AND SUPPORT

Studying overseas is a rewarding opportunity to broaden your experience and outlook, but it can also be challenging. UTS provides the support you need to develop academic and professional skills, feel confident in your study and maintain your wellbeing.

ORIENTATION

www.orientation.uts.edu.au

To help you get to know the university campus and services, UTS runs an Orientation program in February and July immediately before semester begins. This program is designed to familiarise new students with the university's services and facilities. It's also an excellent way to meet staff and students from Australia and overseas.

UTS INTERNATIONAL

www.uts.edu.au/current-students/international

The UTS International team offers you advice and support during the application process and throughout your studies at UTS. Our student advisers can assist with all general enquiries, and keep you up-to-date with important news and events around UTS via our international students' e-newsletter.

SAFETY AND SECURITY

UTS fosters a safe and secure environment for students, staff and visitors, with 24-hour security assistance on and around campus. This includes accessible security offices, regular patrols, an emergency telephone network and closed circuit television cameras.

GENERAL SUPPORT SERVICES

www.uts.edu.au/current-students/

UTS provides a wide range of on-campus services for students, including:

- > medical services
- > traditional Chinese medicine clinic
- > counselling services
- > special needs services for students with a disability or ongoing medical condition
- > financial assistance and advice
- > multi-faith chaplaincy and prayer rooms

ACADEMIC SUPPORT

www.uts.edu.au/current-students/

- > English language and academic literacy support – including weekly study, reading, writing and speaking skills workshops, writing clinics, intensive academic English programs and individual consultations for assistance with assignment writing and referencing www.ssu.uts.edu.au/helps
- > English language conversation classes www.ssu.uts.edu.au/helps
- > subject-specific study sessions led by trained student facilitators to assist students enrolled in difficult subjects www.ssu.uts.edu.au/peerlearning

UTS LIBRARY

www.lib.uts.edu.au

The UTS library's services and resources include:

- > an international librarian who is dedicated to helping international students and those whose first language is not English
- > training sessions for postgraduate research students
- > 24-hour global access to the catalogue, Australian and international databases online
- > presentation and group discussion rooms and silent study areas
- > scholars centre – a dedicated space in the library for postgraduate research students and staff.
- > computers installed with Chinese, Korean and Japanese software

CAREERS SERVICE

www.careers.uts.edu.au

- > information and advice on career development issues
- > support with resume writing
- > interview techniques and job search strategies
- > jobs listing service is also available
- > Accomplish program, a free, year-long specialised program for international students focusing on employability skills in the Australian workforce.

STUDENTS' ASSOCIATION

www.sa.uts.edu.au

The Students' Association represents all UTS students. Their services include:

- > an Overseas Student Officer representing and supporting international students
- > the Bluebird Brekkie Bar, a free, sustainable pop-up breakfast café that opens every Wednesday of semester
- > a food co-op where you can purchase fresh, organic fruit and vegetables
- > a second-hand bookstore
- > the campus student newspaper, *Vertigo*

SHUKHRATJON ADILOV

"The HELPS service is really useful, and helped me with my assignments. When I have to make a presentation or write an essay, I go there lots of times to ask them how to write correctly in English. They help with language and study skills, and supporting your homework. They have workshops and drop-in consultations, and the staff are good. It really helps and I like to go there."

Home country: Uzbekistan / China

Studied: Information Technology

**ARRIVAL TIPS**

Aim to arrive in Sydney at least two weeks before classes start in order to participate in the Orientation program for commencing students and find suitable accommodation.

UTS International offers a complimentary airport shuttle service from the airport to either UTS or a convenient CBD location for new international and study abroad and exchange students who arrive in the two weeks before orientation begins. This service includes a welcome pack, full of useful info and resources to help you settle in.

YOUR SOCIAL NETWORK

UTS has an active campus culture with **free** student programs and events including barbecues, festivals and parties. We also offer a sports and recreation program, and numerous clubs and social programs that bring together local and international students throughout the semester.

WAYS TO MEET PEOPLE

Socialise, gain personal and professional skills or volunteer experience. Programs such as **Network Café** and the **Peer Network** focus on welcoming international students and helping you meet other international and local students, while UTS's **SOUL** and **BUILD** programs offer opportunities to develop your leadership skills and contribute to the wider community.

ActivateUTS provides students with social, cultural and sporting programs, including lunchtime social sports competitions and over 100 clubs and societies.

ASHLEY MELEEN

"Living in a big metropolitan city like Sydney was new to me. To get involved, I went on a couple of union trips at the beginning of the semester. I'm also a big fan of Network Café, which I did every week. It's a very good chance to catch up with friends and the Peer Networkers you meet during Orientation!"

Home Country: USA

Studied: Journalism

EVENTS ON CAMPUS

Throughout the year, there are events where you can socialise and network, both on and off campus. These include orientation events, barbecues, band performances, a sport and recreation program, outdoor cinema, trivia competitions, Fair Day and Amazing Race.

UTS's annual **Infusion festival** celebrates the cultural diversity of the UTS community through a program of live music, dance and other performances, as well as food, competitions and an international markets day.

The UTS Exchange and Study Abroad Club learn how to surf at the iconic Manly Beach. Photography: Emelie Eriksson

EXCHANGE AND STUDY ABROAD CLUB (ESAC)

www.facebook.com/esac.uts

ESAC was formed specifically to encourage study abroad and exchange students to mix with Australian students through a variety of social activities. Recent events include:

- > barbecues with Australian students
- > a beach and bushwalk trip at Sydney's Royal National Park
- > the Sculpture by the Sea exhibition coastal walk from Bondi Beach
- > surfing lessons on Manly Beach

Students enjoying a free Wednesday breakfast at UTS's pop-up Bluebird Brekkie Bar. Photography: Seb Crawford

COMMUNITY CONNECTIONS

www.uts.edu.au/current-students/campus-life/community-connections

Community Connections is a free and easy way to experience Australian culture and lifestyle from the local student perspective! You can join local students as they guide you through culinary delights in Sydney's multicultural precincts, show you opportunities to volunteer for environmental or charity events, or take you on road trips to New South Wales' lesser known attractions. Events run throughout the semester.

The UTS French Society at Clubs Day.

CAMPUS AND FACILITIES

With spacious and well-equipped student areas, the UTS campus encourages social interaction and supports academic collaboration.

Adaptable indoor and outdoor environments equipped with power and WiFi access are available for socialising, group meetings or independent study.

Specialised group-work areas offer the latest technologies such as SMART boards, plasma screens and touch screen projectors, which allow you to simply plug in and go.

UTS Business School's Dr Chau Chak Wing Building, opening in late 2014, is the first Frank Gehry-designed building in the Sydney central precinct – a physical symbol of creative thinking program will also deliver new Science, IT and Engineering facilities in 2014. Credit: Gehry Partners LLP.

ActivateUTS provides great places to eat, drink, relax, meet people, see live music and exercise. Look out for the cafes, bars, food court and the fitness centre on campus.

DHEERAJ NAIR

"I used the UTS facilities for group work and individual study often. The touch screen projectors are useful and explain visual concepts to an audience, for example line graphs. It's also eco-friendly, which is a bonus."

Home country: India / Saudi Arabia
Studied: Business Administration

FEEL AT HOME

UTS Housing provides support for UTS students, including information and assistance with UTS residences and a range of private accommodation options.

UTS-OWNED ACCOMMODATION

UTS has five residences available to UTS students, all close to the City campus.

The UTS Housing community is made up of over 1140 students across Australia and throughout the world. Our **Residential Life program** provides students with a dedicated support network that assists with the transition of living away from home, enhances learning and organises social activities.

All UTS residences:

- > are self-catered, secure and competitively priced
- > have spacious communal and barbecue areas
- > have games and computer rooms

The Yura Mudang residence also has a music room.

All bedrooms are for one person (except twin share), with shared kitchens, bathrooms and living areas. Apartments are fully-furnished and residential fees includes gas, electricity, water bills and cable internet access.

You will need to provide your own bed linen and cooking equipment.

Residential fees are different for each residence, and there is a non-refundable application fee of A\$35 (subject to change).

Due to the high level of accommodation requests, UTS Housing has sourced reserved beds for UTS students with off-campus providers (Urbanest and Iglu).

UTS HOUSING GUARANTEE

As a study abroad, exchange or visiting research student, you are guaranteed a place to live at UTS Housing if you apply before 30 November for February semester and 15 June for July semester. Your accommodation preference will be considered, but the place you are offered may not correspond with your first choice of residence.

KEVIN SPIEKERMANN

"I joined UTS Housing because I knew that I would get to meet other students. I lived in a six share apartment with my own bedroom.

The accommodation at UTS seemed expensive at first, but after a bit of research you soon start to see that it is comparable in price. It is a weekly amount that covers all bills such as electricity, water and internet, whereas when you rent private accommodation you need to add these expenses after."

Home country: Germany

Studied: Engineering

www.housing.uts.edu.au

RENTING PRIVATE ACCOMMODATION

If you plan to rent private accommodation in Sydney, we recommend you arrange short-term accommodation to begin with, so you can view properties on your arrival and choose something that really suits your needs for the long-term.

Share accommodation means you usually have your own room and share a kitchen, living area and bathroom with other students or people who work. Alternatively, you may choose a studio or one-bedroom apartment to live in on your own, but this is more expensive.

Most private rental accommodation in Sydney is **unfurnished**.

Visit UTS Housing's off-campus accommodation website, to find share rooms in private houses and apartments close to UTS campuses:

www.uts.studystays.com.au

All accommodation rentals require a residential tenancy agreement. If there are points you are unsure of, please contact the UTS Housing Off-Campus Officer (housing.welfare@uts.edu.au) or the UTS Student Legal Service (studentlegalservice@uts.edu.au) for help.

LIVING COSTS

The table below details approximate establishment and ongoing costs you may incur while studying at UTS and living in Sydney. This table should be used only as a guide, as individual spending may vary. It is a requirement of the Australian government that prospective international students can demonstrate that they have access to at least A\$18,610 a year to fund their living costs in Australia.

ESTABLISHMENT COSTS

You should expect to pay approximately A\$4200 start up or establishment costs for independent accommodation. These costs include items such as a rental accommodation bond (maximum four weeks' rent), rent in advance, linen, furniture, telephone and internet connection, kitchenware, personal items and electricity connection, and must be budgeted for. With regards to UTS Housing, you will have to budget for the acceptance fee (A\$120 subject to change), the deposit fee (A\$850), two weeks rent in advance and any personal items you need to purchase.

Yura Mudang rooftop

ACCOMMODATION TIPS

- > Don't pay any money before viewing and being satisfied with a non-UTS property. Until you arrive and get a feel for the area, you want to live in, you won't know whether it is right for you.
- > During Orientation, UTS Housing hosts accommodation sessions where staff can guide and support you with your accommodation search. This service is available in February and July.

Bulga Ngurra offers recently renovated recreational facilities and study areas on every floor

SYDNEY LIVING COSTS - APPROXIMATE ONLY

| | Independent Accommodation | | UTS Accommodation | |
|---|---------------------------|------------------------------|------------------------|------------------------------|
| | Weekly | Annual | Weekly [†] | Annual |
| Rent per person in shared accommodation within a short commute to UTS | A\$200* – A\$330 | A\$10,400 – A\$17,160 | A\$210 – \$372 | A\$10,920 – A\$19,344 |
| Groceries (eg. food, drinks, toiletries) | A\$100 | A\$5200 | A\$100 | A\$5200 |
| Internet/phone (mobile) | A\$14 | A\$728 | Free access | Free access |
| Gas/electricity | A\$20 | A\$1040 | Inclusive | Inclusive |
| Books/supplies | A\$16 | A\$832 | A\$16 | A\$832 |
| Transport costs | A\$30 | A\$1560 | A\$10 | A\$520 |
| Total estimated ongoing costs | A\$380 – A\$510 | A\$19,760 – A\$26,520 | A\$336 – A\$498 | A\$17,472 – A\$25,896 |

Note: Prices vary depending on the condition of the property, the number of people you share with and the proximity of the accommodation to the centre of Sydney and other amenities.

* Any amount below this will most likely be twin share.

[†] Weekly costs are shown for comparison purposes only. UTS Housing requires study abroad and exchange students to pay their residential fees either in one lump sum upfront or in three instalments.

SYDNEY EVENTS CALENDAR

Awarded as a top international destination for festivals and events¹, Sydney hosts a wide range of public events and activities throughout the year — and many of them are free!

JANUARY

SYDNEY FESTIVAL

www.sydneyfestival.org.au

Three weeks of live music, visual arts, theatre, food and film on Sydney's streets.

AUSTRALIA DAY – 26 JANUARY

www.australiaday.org.au

Public holiday celebrations including fireworks and free community events held across the nation.

FEBRUARY

SYDNEY CHINESE NEW YEAR FESTIVAL

www.sydneychinesenewyear.com

Over two weeks of celebrations culminating with a street parade, light show and fireworks on the eve of Lunar New Year.

MARCH

SYDNEY GAY AND LESBIAN MARDI GRAS

www.mardigras.org.au

Two weeks of events including a film festival, fair day, academic discussions, finishing with a colourfully costumed and choreographed parade.

MARCH - APRIL

ROYAL EASTER SHOW

www.eastershow.com.au

Held at the site of the 2000 Olympics, the Easter show is Australia's largest annual event, with agricultural competitions, animal experiences, entertainment, carnival fun, shopping and much more.

MAY

SYDNEY WRITERS' FESTIVAL

www.swf.org.au

Featuring globally acclaimed writers and commentators, the writers' festival is also the launchpad for the annual UTS Writers' Anthology.

MAY - JUNE

VIVID SYDNEY

www.vividsydney.com

Vivid Sydney brings to life large-scale light installations, music and creative ideas across the city.

JUNE

SYDNEY FILM FESTIVAL

www.sff.org.au

The second longest running film festival in the world, featuring films from over 40 countries, including shorts, documentaries, classics and Australian films.

AUGUST

CITY TO SURF

www.city2surf.com.au

Join the UTS team for the largest timed fun run in the world – starting in the city centre and finishing at Bondi Beach.

UTS INFUSION FESTIVAL

www.ssu.uts.edu.au/infusion

Infusion celebrates the cultural diversity of the UTS community with tantalising food, live music and performances.

SEPTEMBER

ULTIMO SCIENCE FESTIVAL

www.ultimosciencefestival.com

A collaboration between UTS, the Powerhouse Museum, Australia's National Broadcaster, the ABC, and TAFE NSW, the science festival is a series of talks, shows, exhibitions and events for all ages.

SYDNEY INTERNATIONAL ANIMATION FESTIVAL

www.siaf.uts.edu.au

Founded by UTS, this festival showcases the best of world animation and actively supports up-and-coming animators.

BEAMS ARTS FESTIVAL

www.beamsfestival.com.au

A free street festival held in nearby Chippendale, featuring artworks and installations, dance, theatre and performance art, video and lighting projections, workshops and public programs, live music and outdoor dining.

SEPTEMBER - OCTOBER

FOOTBALL FINALS SERIES

www.afl.com.au

www.nrl.com

www.rugby.com.au

Get a taste of Australian sporting culture. Rugby league, rugby union and AFL finals attract hundreds and thousands of colourful spectators.

OCTOBER - NOVEMBER

SCULPTURE BY THE SEA

www.sculpturebythesea.com

An outdoor exhibition of contemporary Australian and international sculpture along Sydney's spectacular Bondi to Tamarama coastal walk.

NOVEMBER

NEWTOWN FESTIVAL

www.newtowncentre.org/festival

The inner city suburb of Newtown hosts this festival of live music, food and clothing markets, seminars and art workshops.

DECEMBER

SYDNEY TO HOBART YACHT RACE

One of the most celebrated ocean yacht races in the world kicks off on Boxing Day each year from Sydney Harbour.

NEW YEAR'S EVE

www.sydneynewyearseve.com

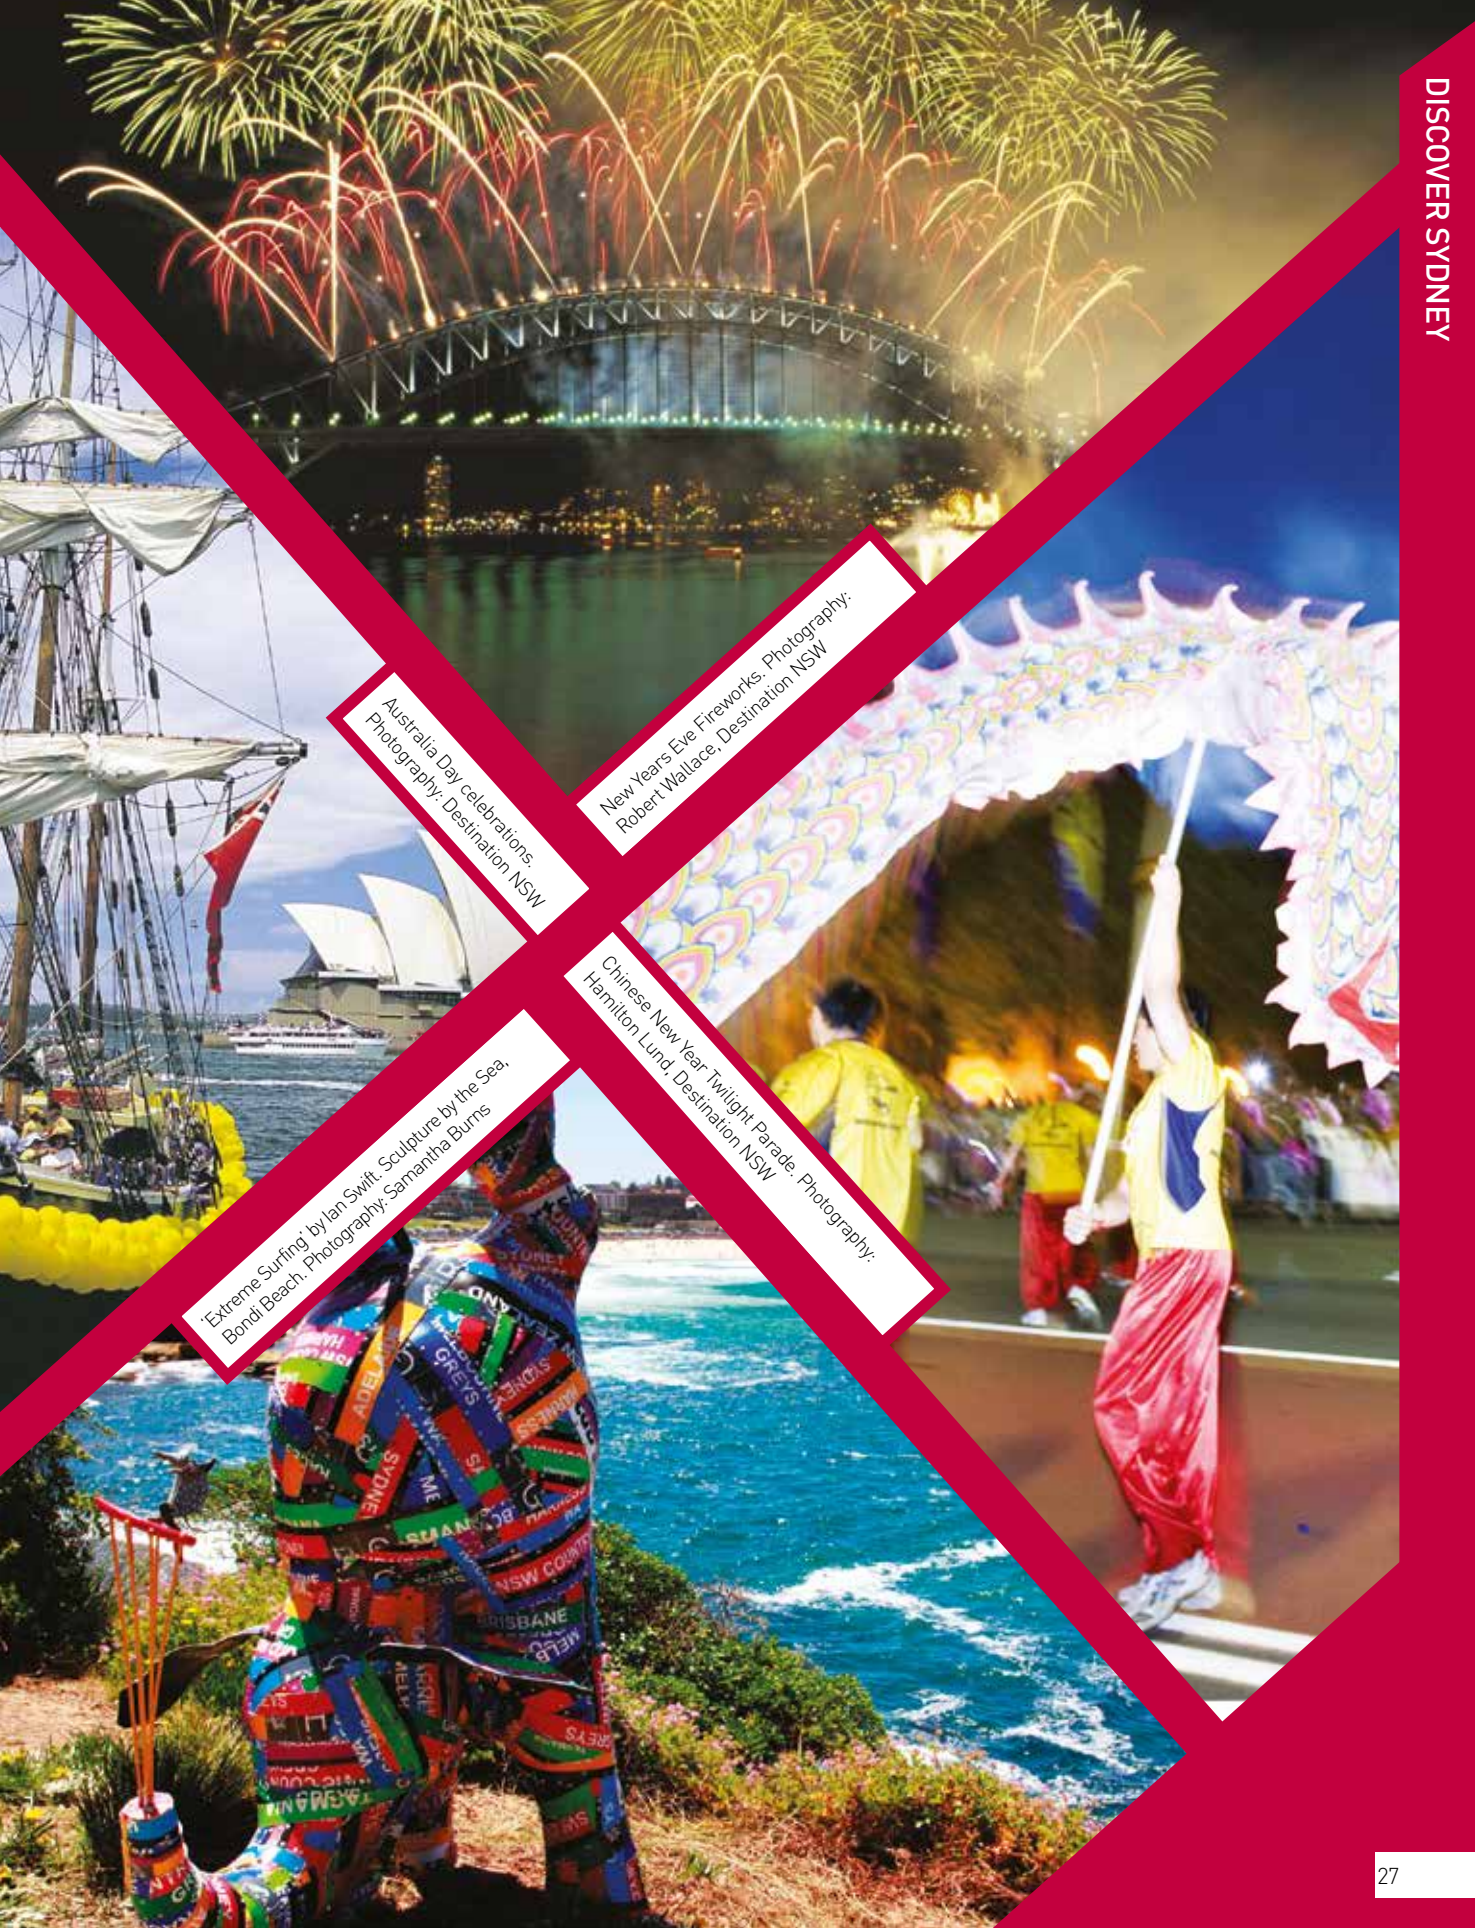

Sydney explodes with street parties, music and one of the biggest fireworks displays in the world.

For the full range of Sydney events, visit the City of Sydney What's On calendar: whatson.cityofsydney.nsw.gov.au

For more UTS events, visit: www.uts.edu.au/current-students

BEFORE YOU APPLY

FEES, SCHOLARSHIPS AND FINANCIAL AID

2015/2016 tuition fees per semester

- > Study abroad - A\$9600*
- > Study abroad 18 - A\$7200*
- > Visiting research - A\$9600*
- > Exchange students - Regular fees paid to home institution

*This is a flat fee for up to 24 credit points of study and students undertaking additional credit points will incur additional fees. Tuition fees are subject to change at the beginning of each calendar year. For an explanation of credit points, see page 19.

Refund of fees

For the UTS fee policy, visit: www.uts.edu.au/international/prospective/studying/fees/policy.html

Scholarships

UTS offers Study Abroad Excellence Award valued at A\$2000 for commencing Study Abroad students. Selection is based on academic achievement. We also offer mobility grants to eligible students from UTS partner institutions.

For more information about fees and scholarships, visit: www.uts.edu.au/future-students/international/study-abroad-and-exchange-students/fees-and-living-expenses

Financial aid and loans

If you are from Canada, Denmark, Germany, Norway, Sweden and the UK and the USA, you may be eligible for financial assistance from your home government. For further information, talk to your UTS representative or visit: www.uts.edu.au/future-students/international/essential-information/financial-aid

ENTRY REQUIREMENTS

Academic requirements - current university students

You must have completed one full year or more of study at a recognised institution with:

- > a 'credit' or 'good' average, or
- > a cumulative GPA of 2.5 on a 4.0 point scale, or
- > an average grade of 'c' or better on the European ECTS grading scale.

Academic requirements - high school graduates

Students who have not completed one full year at a recognised institution may also apply for admission if they meet university matriculation requirements.

Visiting research students

If you are applying as a visiting research student, you must discuss the most relevant field of research for you to undertake at UTS with your home university supervisor. Also check if UTS has a supervisor in your field of research at: cfsites1.uts.edu.au/research/find-a-supervisor

See guidelines for Applying to the Visiting Research Students Program: www.uts.edu.au/future-students/international/study-abroad-and-exchange-student

English language requirements

UTS will accept original or certified copies of English language test results according to the table below:

| TEST | ENGINEERING (UNDERGRADUATE) | AUSTRALIAN LANGUAGE AND CULTURE STUDIES | MOST OTHER PROGRAMS* |
|-------------------------|---|---|---|
| IELTS (Academic Strand) | 6.0 overall with a writing score of 6.0 | 5.0 and above | 6.5 overall with a writing score of 6.0 |
| TOEFL (Internet-based) | 60 -78 overall with a writing score of 21 | 35 and above | 79 -93 overall with a writing score of 21 |
| PTE (Academic) | 50-57 | 36 and above | 58-64 |
| CAE | 52-57 | 41 and above | 58-66 |

*For details of exceptions, visit www.uts.edu.au/future-students/international/study-abroad-and-exchange-students/entry-requirements

APPLICATION DEADLINES

PROGRAM APPLICATIONS ARE DUE:

30 November for Autumn semester (February start)
30 April for Spring semester (July start)

FOR GUARANTEED UTS HOUSING, APPLICATIONS ARE DUE:

30 November for Autumn semester
15 June for Spring semester

Alternative English language test

Students from Austria, Denmark, Finland, France, Germany, the Netherlands, Norway, Sweden or Switzerland are eligible to apply to UTS with an alternative means of language assessment.

To download the UTS English Language Proficiency Assessment application form, visit: www.uts.edu.au/future-students/international/study-abroad-and-exchange-students/entry-requirements/english-language

Overseas Student Health Cover (OSHC)

You must have OSHC* for the full duration of your proposed Australian student visa. For current OSHC costs and payment options, visit the fees section of the UTS Study Abroad and Exchange website.

*Belgian, Swedish and Norwegian students who have health cover in their home country may be exempt from OSHC.

Note: Your accommodation preference will be considered, but the place you are offered may not correspond with your first choice of residence. Apply at www.ssu.uts.edu.au/housing/residences/application.html

HOW TO APPLY

www.uts.edu.au/future-students/international/study-abroad-and-exchange-students/steps-applying

| | |
|---|---|
| 1. CHOOSE YOUR PROGRAM | Are you applying as an exchange, study abroad, study abroad 18 or visiting research student? |
| 2. CHECK YOUR ELIGIBILITY | Check that you meet the entry requirements for your program. |
| 3. DISCUSS YOUR STUDY OPTIONS WITH YOUR HOME UNIVERSITY | Consult with your home university to understand the application and credit requirements of studying abroad. If you are from a UTS exchange partner university, you'll also need approval to participate in the exchange. |
| 4. CHOOSE YOUR SUBJECTS - 18 OR 24 CREDIT POINTS | Review the information in this guide and on the UTS website to select the appropriate study plan for your program in Australia. www.uts.edu.au/future-students/international/study-abroad-and-exchange-students/steps-applying#tips |
| 5. APPLY TO UTS | Complete the online application form: uts.moveonnet.eu/moveonline/incoming/welcome.php Submit printed application form and supporting documents > Exchange students – submit to home institution for certification > Study abroad students – submit to UTS representative or to studyabroad.exchange@uts.edu.au |
| 6. LETTER OF OFFER AND STUDY PLAN | UTS will assess your application. If you are successful, UTS will issue an electronic Letter of Offer and start to prepare your study plan. The average timeframe to process applications is two to three weeks. |
| 7. APPLY FOR UTS HOUSING | Once you have been issued an offer and student number, you are able to apply for UTS Housing – even before you accept your offer. To secure a guaranteed place in a UTS residence, apply by 30 November or 15 June. |
| 8. ACCEPTANCE AND CONFIRMATION OF ENROLMENT | You must formally accept your offer and, if applicable, pay your tuition fees to UTS. Once UTS receives your acceptance and deposit, you will be issued an eCoE. The eCoE is official documentation provided by UTS and is required to obtain an Australian student visa. |
| 9. APPLY FOR A STUDENT VISA | Apply for a student visa online. Once your student visa has been approved, you should finalise your travel arrangements. You must obtain an Australian student visa before you can commence study in Australia. www.immi.gov.au/study/pages/study.aspx |
| 10. PRE-DEPARTURE | The UTS Study Abroad and Exchange Officer will send you a Pre-Departure Guide, and provide information regarding accommodation, airport reception and orientation activities. At this stage, UTS will also pre-enrol you in the pre-approved units listed on your signed acceptance. |
| 11. ARRIVAL AND ORIENTATION | Arrive in Australia and attend UTS Orientation, which is compulsory for all new students. Our comprehensive Orientation programs includes information sessions and social activities, to help you get to know UTS and meet other new and experienced students. You will also be able to finalise your enrolment and receive your student ID card. |

START YOUR
UTS ADVENTURE!

EXCHANGE PARTNERS
