

UTS Study Tours 2025-2026

Welcome to Sydney

Expand your horizons
in a global city

A world-class city

You'll be located in the heart of Sydney, surrounded by some of the world's most successful and innovative companies, providing hundreds of graduate employment opportunities.

A safe and friendly city

Sydney's reputation as a safe and friendly city is one of the reasons why 35,000 international students choose to make it their home-away-from-home. Enjoy the multicultural community and friendly buzz of this global city.

A city of natural wonders

There's so much to see and do when you're not studying, like visiting the beautiful beaches and exploring the nearby national parks. You can safely explore the city with its excellent public transport network.

About the University of Technology Sydney (UTS)

UTS offers international, innovative, and industry-relevant education in the heart of Sydney.

Global approach

UTS is a university for the real world. All courses are closely aligned with industry needs, so what you learn will prepare you for your future.

Practice-oriented education

UTS is committed to practical learning. Major projects, group work and real-life case studies are key to this practice-based approach, giving you the skills you need to impress future employers.

Our students come first

UTS provides support services including:

- English language support
- study support
- career development
- confidential medical and counselling services
- sports organisations and facilities
- peer networking and peer support opportunities
- housing support.

Connections that count

All UTS faculties are led by industry advisory boards and course content is developed in close collaboration with industry partners. Many courses are also accredited by professional associations.

More than just a job

UTS Careers offers free career consultations, resume reviews and employment workshops – all designed to enhance your employment prospects. You can also access student job boards, industry career fairs and international alumni networks.

About the program

This sample program gives you the chance to experience Australian university life and gain practical skills through a range of engaging workshops.

What you'll learn

When you visit UTS, you learn directly from our celebrated faculties and schools. In addition to faculty-led topics, each program will typically include:

- an Australian cultural workshop including history, lifestyle, food and Aussie expressions
- an introduction to Aboriginal and Torres Strait Islander culture including languages, flags, and symbols
- practical tips on how to improve your communication and presentation skills
- demonstrations on our award-winning simulation facilities
- full campus tour.

Our facilitators

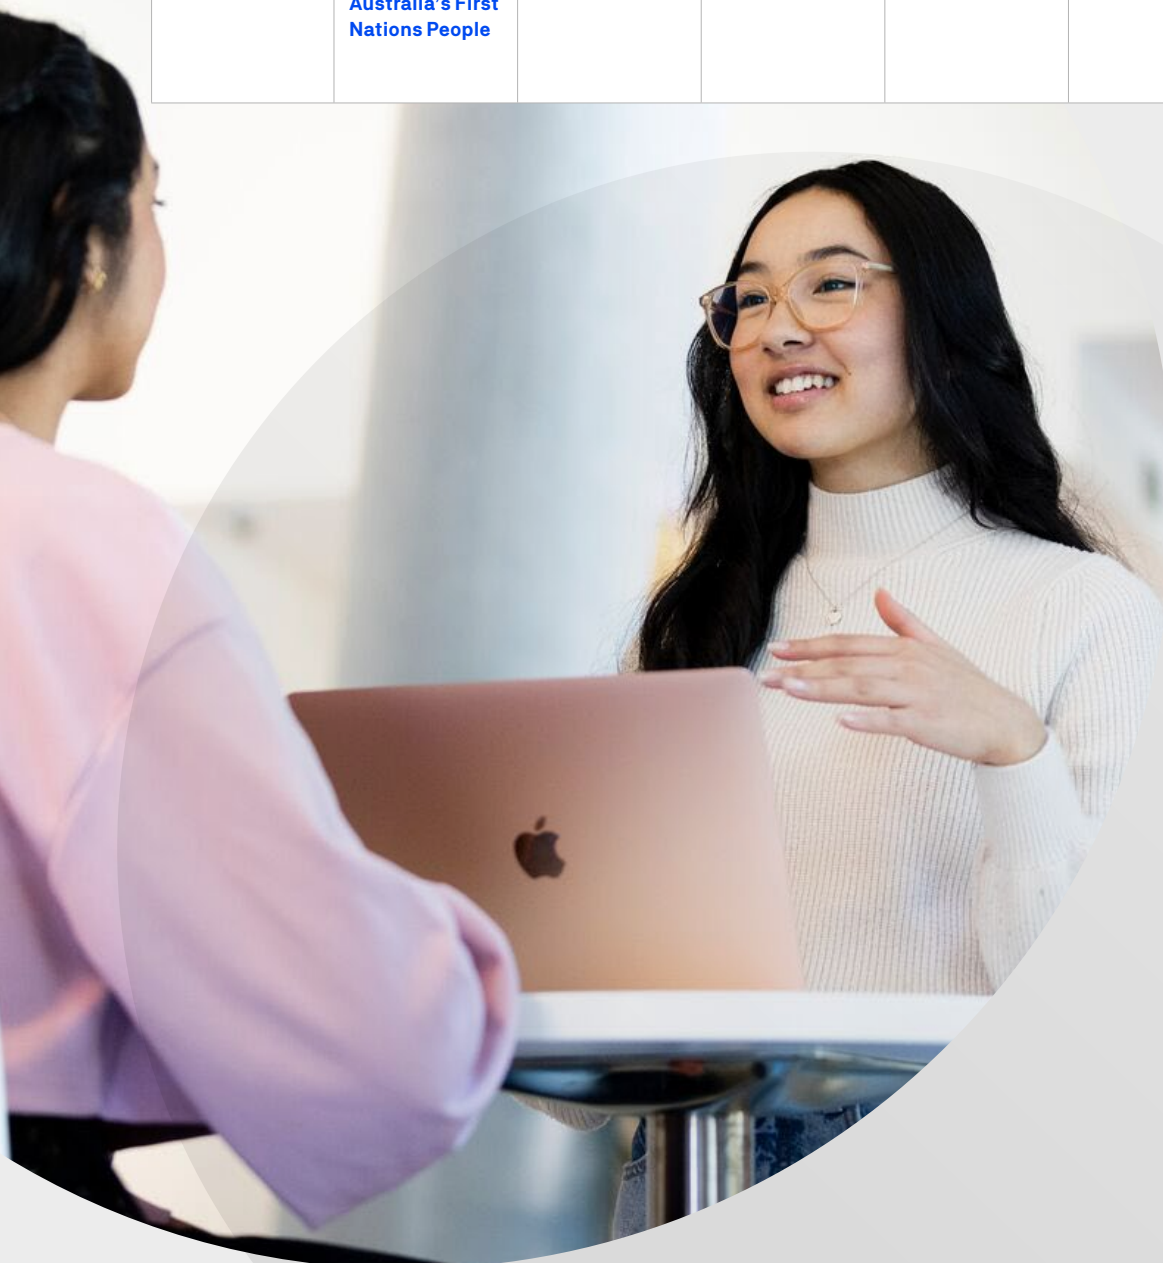

On your study tour, a range of academic and professional staff will cover various topics from our faculties and units.

Our facilities available to visit

- Data Arena
- Library
- ProtoSpace
- SuperLab
- HIVE SuperLab
- Crime Scene Simulation Lab
- Health Clinical Simulation Lab
- Computer Graphics Lab.

Your safety

You'll be looked after during your stay with UTS.

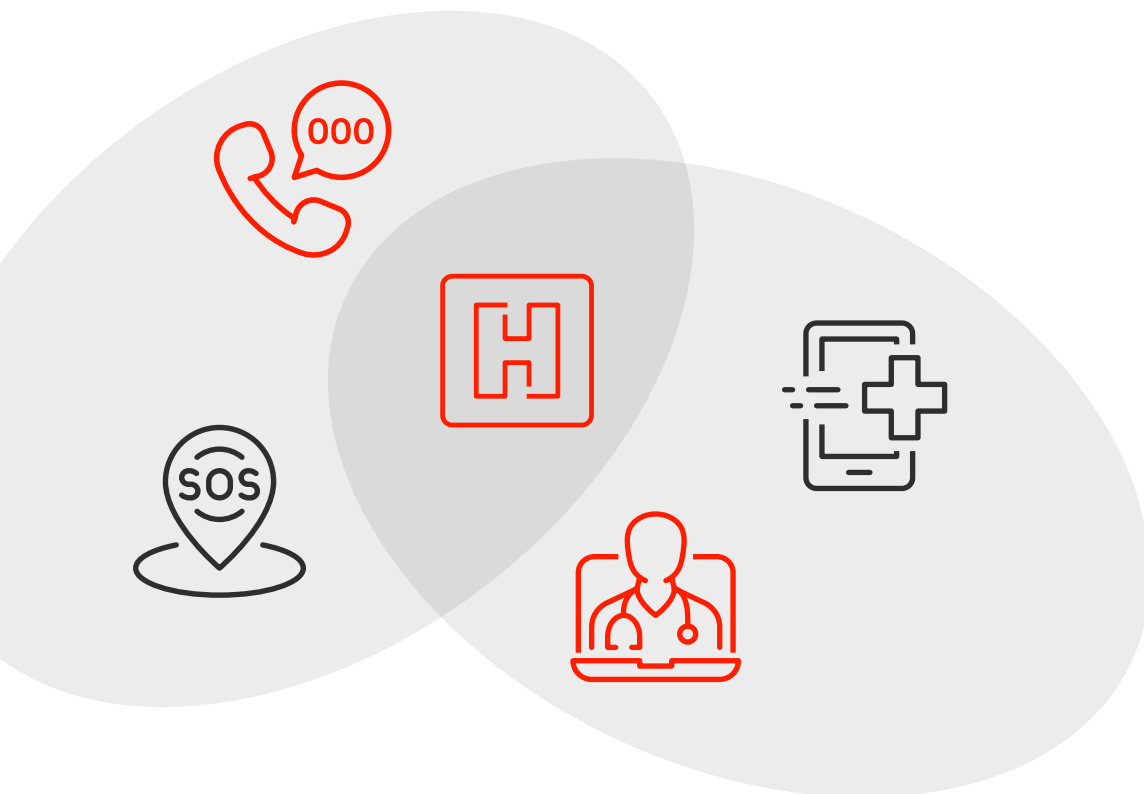

A dedicated study tours staff member will guide you and answer any of your questions. We want you to have a wonderful experience at UTS!

Safety is a high priority. Sydney is ranked as one of the safest cities in the world.

Useful tips

If you're feeling sick or are injured:

- tell your teacher or study tours team immediately.
- call (02) 9514 1177 and book an appointment to see a doctor at UTS Health Services (CB01.06).
- go to the pharmacy at Central Park on level 1 if you need medicine.

See you at UTS!
