

Application for Release (International)

THE UTS RELEASE PROTOCOL

The UTS Release Protocol outlines the guidelines and procedures for assessing requests from international students to transfer to another registered provider within the first 6 months of their principal course at UTS. It also sets out the appeal process should a request be refused.

You are required to read the UTS Release Protocol before submitting an Application for Release.

APPLICATION PROCESS

- 1. Complete the Application for Release form.
- 2. Send the completed form and all relevant documentation to compliance@uts.edu.au using the email button provided on page 2.
- 3. UTS will assess your Application for Release and respond within 10 working days of receiving a complete application (including all required documentation).
- 4. The outcome of your application will be sent to your nominated email address.

Please note: you **must** remain enrolled in your course until a final decision has been made on your application, including the outcome of any internal or external appeals.

REFUND OF FEES

The UTS Refund Protocol sets out the guidelines and procedures for assessing refund requests from international students. A separate Application for Refund must be submitted if you are applying for both a release and a refund.

You may submit your refund application after you receive the outcome of your release request.

SUPPORTING DOCUMENTATION

Please ensure that you submit all required documentation together with the completed application form. Applications that are incomplete, missing documentation, or lacking relevant signatures will not be assessed.

Required documentation

In addition to the completed form, you must provide:

- a personal statement explaining the reason(s) for your release request (this can be in your covering email); and
- an unconditional Letter of Offer from your new CRICOS-registered provider (note: UTS may contact the new provider to authenticate their Letter of Offer); and
- 3. written approval from a parent or legal guardian to support the transfer (if you are under 18 years of age).

If you are enrolled in a packaged course, you must also provide:

- written confirmation of release from your pathway provider e.g. UTS College (if your study is incomplete); or
- a course completion letter and official academic transcript (if your study is complete).

Please note: if your studies with UTS College are incomplete, your application for release will be emailed to the college, who will then contact you to complete their own Application for Release form.

Additional documentation

Where relevant, you may also provide additional documentation that supports your release request. Examples include:

- medical certificates
- counselling reports.
