Students engaging in other activities such as paid employment must not compromise the average weekly amount of time they devote to their research project. Scholarship holders must seek approval of the Responsible Academic Officer (RAO) in their Faculty or Institute prior to engaging in part-time work in excess of 8 hours per week. The RAO will take the Supervisor/s' recommendation into consideration. Details of paid employment or other activities, which temporarily interfere with the capacity to devote 35 hours per week to the research project, must be recorded in the student's progress report.

11. SCHOLARSHIP OVERPAYMENT

A Scholarship recipient is required to repay any Scholarship overpayment within thirty calendar days of being requested to do so by the University. Scholarship overpayments are viewed as financial
