

Study Abroad and Exchange at UTS: Faculty of Health – Sport and Exercise Subjects

As a study abroad or exchange student, you may design a program of subjects from more than one faculty at UTS provided you enrol in 24 credit points of full-time study. Sport and Exercise subjects within the Faculty of Health are 6 credit points each. However, other faculties may offer subjects at different credit point levels. Please ensure that you satisfy the credit point requirements when choosing your subjects.

When can I study?

Study abroad and exchange is available:

- 1) March – July (Autumn Semester) **A**
- 2) July – November (Spring Semester) **S**

Please note:

- **Autumn** in Australia occurs in the first half of the year. **Spring** occurs in the second half of the year.
- Some subjects have prerequisites. If you apply for a subject with prerequisites (listed on the next page), you will need to demonstrate that you have the prior skills and knowledge necessary to undertake the subject.
- Most subjects are only offered in one semester.
- **Moore Park Campus** some Sport and Exercise Science and Management subjects are offered at [UTS Moore Park precinct](#) the campus is connected to the City Campus by a free shuttle bus during peak periods.
