Diploma to Degree Scholarship for Students from South East Asia

This 25% tuition fees scholarship is open to international students from South East Asia who have been admitted to UTS based on a UTS recognised Diploma qualification from South East Asia, with a minimum GPA of 3.4 out of 4.0 or equivalent.

Consideration for this scholarship includes the following:

Citizenship of a country in South East Asia and currently live or are based in South East Asia.
Meeting all the admission requirements for the selected UTS undergraduate program.

UTS Science International Diploma to Degree Scholarship for Excellence (Polytechnics in Singapore)

This scholarship is based on academic merit. Recipients are selected from commencing international students who have completed an approved pathway Diploma from a Polytechnic in Singapore and are applying for an undergraduate program at UTS Faculty of Science. Successful applicants will receive up to AUD \$5,000 towards their first session [tuition](#) fee.

Check the eligibility criteria for these scholarships by searching at :

<https://www.uts.edu.au/future-students/international/essential-information/scholarships/undergraduate-scholarships>

Why Science at UTS

UTS Science offers practice-based learning, combining specialist practical skills and knowledge with other important attributes desired by employers.

By studying Science at UTS, you will:

- access world-class facilities, including specialised advanced laboratories containing state-of-the-art equipment used in both research and industry; and
- study at a dynamic cosmopolitan university situated in Australia's global city of Sydney

How to apply to UTS Science

To apply for a degree at UTS Science, submit your application form to UTS International. Credit recognition and scholarship eligibility will be automatically considered for Polytechnic students from Singapore.

If your qualification is not listed in the table on Page 1, you may still be eligible for advanced standing. Each application will be assessed on an individual basis.

Most programs have **March and August** intakes, but some programs only have one intake per year. Please check before lodging your application to allow time for admission and Australian student visa processing.

Application deadline: You may apply to UTS at any time. The closing dates for applications for each semester are as follows:

- ◆ Autumn session (February/March start) – 30 November
- ◆ Spring session (July start) – 31 May
