Conditions for Award 2019 Chancellor's Research Scholarships (CRS)

Funded by the Commonwealth Government Department of Education and Training, the Chancellor's Research Scholarships (CRS) are offered to highly ranked, newly-commencing doctoral students who demonstrate outstanding academic achievement and potential to succeed in a research career. These prestigious scholarships have a stipend valued at \$35,000 per annum for a period of up to three years.

The University has the expectation that, with an appropriately scoped project and consistent effort, the Stipend recipients will complete their work and submit theses for examination within this time frame. In accepting the Stipend, the recipient undertakes work towards this goal. The University may approve a part-time Stipend in accordance with paragraph 4.2 of these conditions.

For further details on the Australian Government Research Training Program can be obtained from <http://www.education.gov.au/research-training-program-frequently-asked-questions-students>

1. ELIGIBILITY

- 1.1. To be eligible for a Chancellor's Research Scholarship (CRS), a student must:
- (a) be undertaking a Doctoral Research Degree (PhD) at the University in the year of the CRS (Stipends are not available to applicants whose enrolment into a Doctoral Research Degree (PhD) has not been accepted by the University); and
 - (b) be enrolled as a full-time student, unless the University has approved a part-time Stipend for a domestic student under paragraph 4.2 of these Conditions; and
 - (c) not be receiving an equivalent award, stipend or salary providing a benefit greater than 75% of the CRS stipend rate to undertake the HDR. Income earned from sources unrelated to the course of study is not subject to the 75% rule.

2. SELECTION POLICY

- 2.1. The CRS is awarded in accordance with the eligibility requirements outlined in section 1 of the Conditions and on a competitive basis using the scoring system based on:
- (a) academic merit of the applicant; and
 - (b) research and other relevant experience of the applicant; and
 - (c) publications record of the applicant; and
 - (d) relevance of the proposed research to the University's research strengths.

3. TENURE CONDITIONS

3.1. Acceptance

Scholarship recipients should indicate the acceptance of their CRS by the prescribed deadline in their offer letters; otherwise, the University may withdraw the CRS if the scholarship recipient does not respond by the prescribed date.

3.2. Commencement

- 3.2.1. Newly commencing students must enrol and commence their award between 1 January and 31 March of the year for which the offer is made, unless the offer of award is made after 31 March. The University may grant delayed commencement of the award to the following session of the same year where, due to significant prior commitments or exceptional circumstances, an awardee is not able to commence by the offered session.
- 3.2.2. Currently enrolled students may commence their award from the date of the CRS Stipend offer letter, but not before 1st January.
- 3.2.3. The CRS cannot be deferred to a later year.

3.3. Duration

- 3.3.1. A full-time CRS may be held for three years for doctoral studies. The duration of a part-time award is six years for doctoral studies (see paragraph 4.2 below).
- 3.3.2. The maximum CRS tenure will be reduced by any periods of study undertaken:
- (a) towards the degree prior to commencement of the CRS; and/or
 - (b) towards the degree during suspension of the CRS; and/or
 - (c) previously while receiving an Australian Government Research Training Program Scholarship (RTPS) or an Australian Postgraduate Coursework Award
- 3.3.3. The duration of a Stipend will be increased by any periods of paid sick or maternity leave approved by the University (see paragraph 5.4)
- 3.3.4. If a part-time Stipend is converted to a full-time Stipend, at the point of conversion the period of the time that the student was in receipt of the part-time Stipend immediately prior to the conversion will be halved to determine the duration of the Stipend remaining as a full-time award immediately after conversion.
- 3.3.5. If a full-time Stipend is converted to a part-time Stipend, at the point of conversion the period of the time that the student was in receipt of the full-time Stipend immediately prior to the conversion will be doubled to determine the duration of the Stipend remaining as a part-time award immediately after conversion.

3.4. Extension

- 3.4.1. The University may consider extending the duration of a Stipend for a doctoral student of up to six months provided the student is making satisfactory progress and the grounds for the extension relate to the study and are beyond the control of the student. The circumstances affecting the research should also be evident in the student's review of progress.

Applications for extension must be supported by the principal supervisor and be endorsed by the Faculty/Institute. Extensions will be subject to approval by the Dean

of the Graduate Research School. The procedure for applying for an extension is available from the UTS intranet (Staff Connect) after the student is enrolled: <https://staff.uts.edu.au/howdoi/Pages/Researching/Research%20students/Research%20scholarships/apply-for-scholarship-extension.aspx>

3.4.2. Extensions to the duration of a Stipend on the grounds of employment commitments will not be accepted.

4. OTHER CONDITIONS

4.1. Ongoing Eligibility

The University monitors Stipend recipient's ongoing eligibility and progress to ensure that each student continues to meet eligibility requirements set out in section 1 and maintain satisfactory progress. Except in special circumstances which the Graduate Research School Board of the Academic Board determines, throughout the tenure of the Stipend a student shall:

- (a) diligently pursue a course of study in the University as a candidate for the degree enrolled in; and
- (b) submit to the relevant Faculty each half year a report to enable review of progress in accordance with the guidelines approved by the Graduate Research School Board from time to time as per Section 11.13 of the UTS student and related rules found at <http://www.gsu.uts.edu.au/rules/11-13.html>
- (c) successfully complete the required stage assessments as per Section 11.15 of the UTS student and related rules found at <http://www.gsu.uts.edu.au/rules/11-15.html> and
- (d) comply with the rules and regulations of the University concerning postgraduate students which can be found at: <http://www.gsu.uts.edu.au/rules/11-index.html>.

A Stipend recipient must give at least twenty-one days' notice of intention to relinquish the Stipend (e.g.: on discontinuation of studies).

4.2. CRS Stipends for Part-time Study

4.2.1. The University may approve a part-time Stipend if:

- (a) the student is a domestic student; **and**
- (b) the student has reasons acceptable to the University that preclude a full-time study for part or all of the course of study; or

4.2.2. A Stipend may not be held part-time for employment reasons.

4.2.3. For the purpose of 4.2.1 (b), the University must be satisfied that the reasons relate to caring commitments, a medical condition, a disability or other circumstance which limits the student's capacity to undertake full-time study.

- 4.2.4. Application for the part-time Stipend requires a written request to the Dean of the Graduate Research School with the support of the principal supervisor and the Responsible Academic Officer (RAO). A separate application form for part-time enrolment for the candidature is from the UTS intranet (Staff Connect) after the student is enrolled:
<https://staff.uts.edu.au/howdoi/Pages/Researching/Research%20students/Research%20student%20administration/change-my-study-load.aspx>
- 4.2.5. Students holding a Stipend on a part-time basis are required to change to full-time if a change to their circumstances means that they no longer qualify to hold their Stipend on a part-time basis.
- 4.2.6. The University will subject part-time Stipend recipients to the same restrictions on employment as full-time Stipend recipients.
- 4.2.7. A part-time Stipend recipient is expected to progress at half the rate of a full-time Stipend recipient.
- 4.2.8. Part-time Stipend recipients may revert to full-time study at any time with the permission of the Faculty. A separate application form for full-time enrolment for the candidature is from the UTS intranet (Staff Connect) after the student is enrolled:
<https://staff.uts.edu.au/howdoi/Pages/Researching/Research%20students/Research%20student%20administration/change-my-study-load.aspx>
- 4.2.9. A Part-time Stipend is taxable by the Australian Government. As the University does not provide advice regarding taxation matters, it is the responsibility of the individual student to seek his/her own independent professional advice prior to submitting his/her tax return.

4.3. **Suspension of Award**

- 4.3.1. After completion of the first six months of the Stipend the student may be granted up to twelve months (two sessions) suspension of his/her Stipend with the permission of the University.
- 4.3.2. Periods of approved suspension will be added to the normal time for which the Stipend may be held.
- 4.3.3. If the Stipend recipient remains enrolled whilst his/her Stipend is suspended, this period of enrolment will be deducted from the Stipend duration; that is, the duration of the Stipend will be reduced. It is therefore recommended that the Stipend recipient applies for a concurrent interruption of his/her candidature. Leave application form for Stipend recipients is available on the UTS intranet (Staff Connect) after the student is enrolled:
<https://staff.uts.edu.au/howdoi/Pages/Researching/Research%20students/Research%20Stipends/apply-for-Stipend-leave.aspx>

4.3.4. Note that if the Stipend recipient does not resume study at the conclusion of a period of suspension, or does not make arrangements to extend the period of suspension, the Stipend will be terminated.

4.3.5. If prior approval of a suspension of the Stipend is not obtained, the Stipend recipient will be deemed to be absent without permission and the Stipend will terminate.

4.4. Paid Employment

4.4.1. Full-time Stipend recipients are required to work on their research project and complete their thesis within the allocated period and are only permitted to undertake a limited amount of paid employment which must not interfere with their study and progress.

4.4.2. HDR students are expected to devote a minimum of 35 hours per week for full-time study and 17.5 hours per week for part time study. Students engaging in other activities such as paid employment must not compromise the average weekly amount of time they devote to their research project. Stipend recipients must seek approval of the RAO in their Faculty or Institute prior to engaging in part-time work in excess of 8 hours per week.

4.4.3. The RAO's decision will take the principal supervisor/s' recommendation into consideration. Details of paid employment or other activities, which temporarily interfere with the capacity to devote the required minimum hours per week to the research project, must be recorded in the student's review of progress.

4.5. Termination of Award

4.5.1. The CRS will terminate:

- (a) if the student ceases to meet the eligibility criteria specified in paragraph 1 other than during a period in which the Stipend has been suspended with approval or during a period of leave in accordance with paragraph 5.4; or
- (b) when the Stipend recipient ceases to be a full-time student and approval has not been obtained from the University to hold the Stipend on a part-time basis; or
- (c) upon submission of the thesis for examination or when the Stipend expires, whichever is the earlier; or
- (c) if, after due enquiry, the University determines that
 - i. the course of study is not being carried out with competence and diligence or in accordance to the offer of the Stipend; or
 - ii. the student has failed to maintain satisfactory academic progress; or
 - iii. the student has committed serious misconduct, including, but not limited to, the provision of false or misleading information as outlined in paragraph 6.1.

4.5.2. If the Stipend is terminated, it cannot be re-activated unless the termination occurred in error, or on re-submission of the thesis. For thesis re-writes, the Stipend may be re-activated until the thesis is finally submitted, to the maximum duration of the Stipend.

4.6. **Stipend Overpayment**

A Stipend recipient is required to repay any Stipend overpayment within thirty calendar days of being requested to do so by the University. Stipend overpayments are viewed as financial obligations by the University and failure to repay may result in sanctions being placed on your candidature as per Rule 4.4 of the Student and Related Rules at UTS. More information is available at <http://www.gsu.uts.edu.au/rules/4-4.html>

5. **BENEFITS**

5.1. **Annual Stipend**
