

Study Abroad & Exchange: International Studies

As a Study Abroad/Exchange student, you may design a program of subjects from more than one faculty at UTS (provided you enrol in 24 credit points of full-time study). Most subjects within the School of International Studies are worth 8 credit points. Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Please note: This guide focuses on key study areas to locate our more popular International Studies subjects. In addition to the subjects in this guide, you can search for **all** subjects and majors using the [UTS Handbook](#).
