ACCEPT YOUR OFFER NOW.

At UTS, we think differently: we take a global approach to education that has innovation at its core. What's more, we're a university for the real world: all our courses are closely aligned with industry need, so what you learn will prepare you for your future career.

We take a hands-on approach to learning – theory is great, but applying what you know is crucial to your success. We're well connected. Industry partners help shape our course content, so what you study is relevant to your career. And we're located in one of the world's great cities, on a dynamic and interconnected campus that will inspire you to learn.

We offer 130 undergraduate and 180 postgraduate courses across a range of emerging and traditional disciplines:

- > Business
- > Communication
- > Design, Architecture and Building
- > Education
- > Engineering
- > Health
- > Information Technology
- > International Studies
- > Law
- > Science and Mathematics
- > Transdisciplinary Innovation

"UTS's central location in the heart of Sydney was a big reason for my decision to study here. It's convenient to get to tourist spots as well as hangout spots and the city."
