THE YOUNG UNIVERSITY RANKINGS 2019

Globally

At UTS, we think differently: we take a global approach to education that has innovation at its core.

What's more, we're a university for the real world: all our courses are closely aligned with industry need, so what you learn will prepare you for your future career. And we're located in one of the world's great cities, on a dynamic and interconnected campus that will inspire you to learn.

Our Faculty of Science offers postgraduate courses across a range of emerging and traditional disciplines:

- > Biomedical Engineering
- > Forensic Science
- > Marine Science and Management
- > Mathematical and Statistical Modelling
- > Medical Biotechnology
- > Quantitative Finance
- > Science Management
- > Mathematics

To find a course that's right for you, visit:
