Study Abroad and Exchange at UTS: Education

As a Study Abroad/Exchange student, you may design a program of subjects from more than one faculty at UTS (provided you enrol in 24 credit points of full-time study). Education subjects are 6 credit points each. Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Please note: This guide focuses on key study areas to locate our more popular Education subjects. In addition to the subjects in this guide, you can search for all subjects and majors using the UTS Handbook.

When can I study?

The UTS Academic Year operates on two separate calendars, **Calendar A** and **Calendar B**. Most faculties offer all subjects within Calendar A only. UTS: Education offers subjects in both calendars. Study Abroad and Exchange Students must choose one calendar and select all their subjects within that one calendar. To decide which calendar to choose your subjects from, please see the two options below:

1. If you are not an Education student at your home University but you would like to take some subjects from UTS: Education, you may select subjects from **Calendar A** only.

2. If you are an Education Major Student at your home University, you must select all your UTS subjects from **Calendar B**.
   - Calendar B Autumn Session 2020 (February – June)
   - Orientation begins Monday, 17 February 2020. The Session end date will be 27 June 2020 for Education Major Students (the same as all Exchange and Study Abroad students)
   - Calendar B Spring Session 2020 (July – November)
   - Orientation begins Monday 20 July 2020 (the same as all Exchange and Study Abroad students). The Session end date for Education Major Students will be 28 November 2020.

Please note:
- In Australia, **Autumn Session** occurs in the first half of the year. **Spring Session** occurs in the second half of the year.
- If you apply for a subject with one or more prerequisites, you will need to demonstrate that you have the prior skills and knowledge necessary to undertake the subject.
- Subjects within UTS: Education are often only offered once a year. Please check the timetable in case of a change.
- Undergraduate students are not normally permitted to study postgraduate subjects.
- Sessions include the examination weeks. Should you leave the country prior to attending and completing the assessments, you will not receive a grade/mark for your exam or quiz or any other assessments.
