

# 2020 Application for Admission: Non Award Study

## General Instructions

- This application form is for Australian or New Zealand citizens and Australian permanent residents who wish to apply for Non Award study at UTS.
- Non Award study refers to enrolment in a subject/s that does not count towards a UTS formal award course.
- Allocation depends on the availability of class spaces after UTS award students have enrolled. It should **not** be assumed that applicants will be successful in their application. It is highly recommended that applicants also consider alternative options for Non Award studies elsewhere.
- Successful applicants are offered enrolment for a single session only. All applicants must submit a new application for each session in which they wish to enrol.
- Applicants will be advised of the outcome of their application shortly before session commences.
- Completion of Non Award subjects **does not** guarantee future admission to a UTS award course.
- A student cannot enrol in more than 48 credit points of Non Award and Cross Institutional study at UTS. This total will be calculated from any Non Award or Cross Institutional study undertaken from Autumn session 2008 onwards. The maximum load for a session is 26 credit points.
- **Note:** Students are **not** eligible for Non Award study if they:
  - are presently under a period of exclusion from a university
  - have already failed the same subject twice
  - are a non-resident who is the holder of a Temporary Resident Visa or Student Visa  
Non-residents should contact UTS: International for advice on (02) 9514 1531.

## Subject Availability For Non Award Study

- Applicants may choose subjects at any level from courses currently offered by UTS in Autumn, Spring and Summer. Teaching sessions other than Autumn, Spring and Summer are not available to Non Award applicants. Summer Session subjects have very limited spaces.
