

Professional Mentoring Platform

The Professional Mentoring Platform is an online community designed to bring volunteer mentors (professionals and alumni) and mentees (UTS students and recent graduates) together for meaningful experiences.

Key features

- Free and easy to use
- Takes five minutes to set up your profile- import your LinkedIn profile
- Flexible with your schedule – you choose when you're available to mentees
- No long-term commitment required

What's in it for industry and alumni mentors

- A volunteer opportunity you can integrate into your career development plan or resume
- Share your experiences and knowledge with the next generation of professionals
- Improve communication and personal skills
- Develop leadership and management qualities

Every mentoring relationship looks different

- You decide how to communicate with mentees. That might be exchanging a few emails or it could involve a more detailed video call- we leave it up to you to decide
- Mentees are generally not looking for employment opportunities, but instead a professional to discuss their career options with
- The length of a mentoring relationship is different for everyone. Sometimes our mentors and mentees find one meeting is enough, others enjoy it so much they decide to catch up regularly. It's up to both of you to decide

General conversation topics

Mentoring relationships could cover the following areas:

- general career advice
- resumes
- interview preparation
- transferable skills
- further education
- choosing a major
- job search strategies
