Study Abroad and Exchange at UTS:  
Public Policy and Governance (DAB)

As a Study Abroad/Exchange student, you may design a program of subjects from more than one faculty at UTS (provided you enrol in 24 credit points of full-time study). Public Policy and Governance subjects are 6 credit points each. Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Please note: This guide focuses on key study areas to locate our more popular Public Policy and Governance subjects. In addition to the subjects in this guide, you can search for all subjects and majors using the UTS Handbook.
