UNIVERSITY OF TECHNOLOGY SYDNEY

The UTS campus is made up of four building clusters called precincts, which incorporate a range of faculty, administrative and various other buildings.

Broadway precinct
These large university buildings surround the Tower Building on Broadway. Prominent entrances to these buildings are approached via Broadway, Harris Street or the Devonshire Street Tunnel.

Haymarket precinct (CB05A-CB05D)
This converted markets building has multiple entrances along 1–59 Quay Street.

Blackfriars precinct (CB22-27)
This group of historic school buildings has an entrance on Buckland Street in Chippendale.

UTS Moore Park precinct
The Sport and Exercise Science and Management courses within the Faculty of Health benefit from additional learning and research facilities located within the world-famous Sydney Cricket Ground and Allianz Stadium precinct.
