Bachelor of Primary Health Care

> 2015 ATAR: **N/A**

> Duration: 3 years full-time

> Location: City campus

The Bachelor of Primary Health Care is an Away From Base (AFB) mixed mode course. AFB funding supports students to complete their studies through a mixture of distance and block attendance modes. Students will be supported to attend block courses at city campus twice a semester through assistance with travel, meals and accommodation. This is organised by the university.
