Matriculation

To be eligible to apply for a course (matriculate) at UTS you must satisfy at least one of the following minimum admission requirements:

1. Must have attained a full NSW HSC or equivalent with an ATAR of 69 (excluding bonus points), or
2. Completed TAFE TPC, Associate Diploma, AQF Diploma or Advanced Diploma, or
3. Completion of one year of tertiary studies (must be full time), or
4. Be at least 20 years of age as at 1 March 2016.

Note that meeting the matriculation requirements does not mean that an applicant will receive an offer – applicants still have to compete for a place with other applicants for the same course.

Current School Leaver Selection

Current school leavers are selected on their Australian Tertiary Admissions Rank (ATAR) or equivalent, and are eligible for the Year 12 Bonus Scheme bonus points for nominated courses.

UTS Year 12 Bonus Scheme - up to a maximum of five (5) bonus points may be awarded for performance in designated HSC subjects. For details visit [www.undergraduate.uts.edu.au/schools/leavers/atar/bonus](http://www.undergraduate.uts.edu.au/schools/leavers/atar/bonus).

Non Current School Leaver Selection

Applicants are selected on the basis of academic merit. Academic merit is determined on the basis of any qualifications listed in the “Qualifications Used in Selection” section of this document.

Generally the best qualification is considered for non-current school leavers unless the applicant has previously been excluded from university or has a record of fails in a tertiary qualification used in selection, in which case the tertiary qualification with fails is used.

Applicants with a previous record of exclusion or failed tertiary level subjects - must write to the Admissions Manager (SAU, PO Box 123, UTS Broadway NSW 2007) by the last working day of November explaining their academic history and how they believe they can succeed in future study.

Qualifications Used in Selection
The following qualifications are considered for admission into Construction Project Management and Property Economics.

### Definitions

**AQF:** *The Australian Qualifications Framework* (commonly known as the AQF) is a unified system of national qualifications in schools, vocational education and training (TAFE and private providers) and the higher education sector (mainly universities). For detailed information on AQF Accreditation see [www.aqf.edu.au/](http://www.aqf.edu.au/)

**FTE:** *Full time equivalence.* 1 year FTE is one year of full-time study or equivalent. One year full time study is the credit value worth of subjects determined by your institution to satisfy the completion of your degree in the minimum time permitted.

**Non-Award Study:** Non-Award study is the enrolment in a subject (or subjects) which does not in itself lead to an award. It comprises a unit or units of study from a degree course.
