Matriculation

To be eligible to apply for a course (matriculate) at UTS you must satisfy at least one of the following minimum admission requirements:

- (1) Must have attained a full NSW HSC or equivalent with an ATAR of 69 (excluding bonus points), or
- (2) Completed TAFE TPC, Associate Diploma, AQF Diploma or Advanced Diploma, or
- (3) Completion of one year of tertiary studies (must be full time), or
- (4) Be at least 20 years of age of as at 1 March 2016.

Note that meeting the matriculation requirements does not mean that an applicant will receive an offer – applicants still have to compete for a place with other applicants for the same course.

Current School Leaver Selection

Current school leavers are selected on their Australian Tertiary Admissions Rank (ATAR) or equivalent, and are eligible for the Year 12 Bonus Scheme Points for nominated courses.

UTS Year 12 Bonus Scheme - up to a maximum of five (5) bonus points may be awarded for performance in designated HSC subjects. For details visit www.undergraduate.uts.edu.au/schools/leavers/atar/bonus.

Non Current School Leaver Selection

Applicants are selected on the basis of academic merit or on the basis of an interview (shortlisted from an optional portfolio). Academic merit is determined on the basis of any qualifications listed in the "Qualifications Used in Selection" section of this document.

Non-current school leaver applicants for the above Design courses can upload an optional Design portfolio when lodging their UAC application, which is used for interview short-listing. To be considered for an interview, applicants must submit a digital portfolio (max. 3mb) of 6 x A4 landscape pages including:

- 5 pages of digital files of scans (PDF) and/or photographs (JPEG) of original design work appropriate to the course

- 1 page written submission (150–200 words) that selects and identifies one of the submitted pieces of work, addressing the aims of the work and why it succeeded (text must be supplied in 16 point Helvetica, with 1.5 line spacing in PDF format).
- All portfolios must include the applicant's name and UAC application number.

Design Portfolios must be submitted to UAC by Friday 30th October 2015. See www.uts.edu.au/future-students/undergraduate/non-current-school-leavers/additional-selection-criteria-uac/portfolio for more information regarding the portfolio.

Applicants who do not submit a portfolio or are not shortlisted for interview will be considered for entry based upon their academic results.

Generally the best qualification is considered for non current school leavers unless the applicant has previously been excluded from university or has a record of fails in a tertiary qualification used in selection, in which case the tertiary qualification with fails is used.

Applicants with a previous record of exclusion or failed tertiary level subjects - must write to the Admissions Manager (SAU, PO Box 123, UTS Broadway NSW 2007) by the last working day of November explaining their academic history and how they believe they can succeed in future study.

See www.uts.edu.au/future-students/undergraduate/essential-information/applying for a definition of current and non-current school leavers.

Qualifications Used in Selection

The following qualifications are considered for admission into all Faculty of Design Architecture and Building courses as listed above.

Secondary Qualifications

The following completed senior secondary qualifications are considered for admission.

If there is more than one attempt at a secondary qualification, the most recent attempt will be used.

Australian and New Zealand Secondary Qualifications

- New South Wales Higher School Certificate
- ACT Year 12 Certificate
- Queensland Senior Examination
- South Australian Certificate of Education
- Tasmanian Certificate of Education
- Victorian Certificate of Education
- Western Australian Year 12
- New Zealand National Certificate in Educational Achievement (NCEA) Level 3

Limited ATAR

The Faculty of Design Architecture and Building will consider a Limited ATAR. If you are using the Limited ATAR as the basis of admission, you must be over 20 years of age on 1 March 2016

The International Baccalaureate

The Faculty of Design Architecture and Building will consider a completed International Baccalaureate (IB).

International Secondary Qualifications

UTS accept many international secondary qualifications. See "Commonly Accepted Overseas Qualifications" at www.uac.edu.au/documents/undergraduate/os-secondary-qualifications.pdf. The qualifications in the table are accepted by all universities participating through UAC.

If you have a query about a secondary qualification which is not listed on the "Commonly Accepted Overseas Qualifications" table you should contact UTS via email through the website <http://www.ask.uts.edu.au/>

- RATE Diplomas refer to 3-year diplomas taught at Universities or Colleges of Advanced Education such as Diploma of Nursing or Diploma of Education. RATE does not refer to current Diplomas delivered under the auspices of the Australian Qualifications Framework (AQF).

Note: The Faculty of Design Architecture and Building will not consider **incomplete** AQF qualifications.

International Tertiary Qualifications

Many overseas tertiary qualifications can be considered for UTS selection. Please contact a UTS Student Centre via email through the website <http://www.ask.uts.edu.au/> for information regarding specific overseas tertiary qualifications.

UAC also provide a Qualifications Assessment Service (QAS) to prospective applicants. For more information visit www.uac.edu.au/undergraduate/qas.shtml

Special Tertiary Admissions Test

The Faculty of Design Architecture and Building considers the STAT (Multiple Choice) administered by the Universities Admissions Centre (UAC), provided applicants have reached 20 years of age by 1 March 2016 and their STAT results were obtained after 2012.

Definitions

AQF: *The Australian Qualifications Framework* (commonly known as the AQF) is a unified system of national qualifications in schools, vocational education and training (TAFE and private providers) and the higher education sector (mainly universities). For detailed information on AQF Accreditation see www.aqf.edu.au/

FTE: *Full time equivalence.* 1 year FTE is one year of full-time study or equivalent.

One year full time study is the credit value worth of subjects determined by your institution to satisfy the completion of your degree in the minimum time permitted.

Non-Award Study: Non-Award study is the enrolment in a subject (or subjects) which does not in itself lead to an award. It comprises a unit or units of study from a degree course.
