UTS Green Nugget did you know

You can now recycle disposable batteries at UTS. There are 10 locations around campus where you can drop off batteries and mobile phones for recycling.

Batteries might be small but they contain heavy metals and toxic chemicals that should be kept out of landfill and waterways. So make sure your batteries get recycled.

[Locations here.](#)

Nominate Your Green Hero

Do you know a Green Hero? Why not give them free organic coffees for the rest of this year, or maybe some whale watching tickets. These fantastic prizes and more are up for grabs in this year's Green Hero Awards. Any UTS students, staff or alumni are eligible. You can nominate them on-line now. Recognize and celebrate small and big efforts helping make our world a better place. Activities can be at UTS, at home

or in the broader community. Come on, give them some recognition! Nominating only takes a few minutes online [here.](#)
