**Notes:**

Accurate as at 17 December 2015 and subject to change without notice

"up to" 24 CP of electives means 4 x 6 credit point subjects or a lesser number of subjects as noted on the application form

Where noted above, applicants can choose to gain credit for a specific sub-major or for elective subjects. This is their choice and should be noted on the credit recognition application form

No subject outlines are needed for courses that appear on this list

Subjects must have been completed within the past 10 years. Older subjects should be referred to the Director of Studies

This list is not exhaustive. Qualifications not included on this list may be eligible for credit. Please provide subject outlines with your credit recognition application.
