FEE INFORMATION FOR DOMESTIC FEE-PAYING COURSEWORK STUDENTS

YOUR e-INVOICE
Your e-Invoice shows your enrolled subjects and the fees for which you are liable. Please check your enrolled subjects via the ‘Subjects’ menu tab in My Student Admin, and make sure they are correct – after the Census date it is too late!

To request your e-Invoice, and to obtain a copy for your records, please login to My Student Admin: https://onestopadmin.uts.edu.au/estudent/ and select the ‘Invoice’ tab. By following the instructions your current e-Invoice and payment options will be emailed to your UTS Email account. Changes to your study plan will be reflected after 24hrs (excluding weekends). Remember, you will be financially liable for any subjects that you are enrolled in as at the Census date.

If you intend to make any upfront payment, it must be done by the relevant due dates. Your e-Invoice may contain multiple payment due dates if you are enrolled in subjects from more than one teaching period. Please note the due dates and census dates applicable to each of your subjects. Please check the due dates of each of your subjects carefully as failure to pay by each of the set due date/s will incur a $150 Late Payment Fee.

Full payment options and payment channel details are emailed with your e-invoice and are online at: http://www.uts.edu.au/current-students/managing-your-course/fees-and-payment/payment-information/payment-methods

If you have any overdue debt, the appropriate amount may be drawn from any fee payments you make and first credited towards your outstanding debt. The balance will then be allocated to your current tuition fees.

COURSE FEES
All fees are charged at the rates set for 2016 unless you have been specifically advised in writing that different rates apply. Fees and are determined by the course you are studying, the subjects in which you enrol, and the year you commenced your current course. Fee rate and annual tuition fee increase information is online at: https://www.uts.edu.au/current-students/managing-your-course/fees-and-payment/understanding-fees

COMMONWEALTH ASSISTANCE (FEE-HELP)
You may be eligible to access a loan through FEE-HELP to assist in paying your tuition fees; this will be paid by the government directly to UTS. Further information can be found in the FEE-HELP information booklet. Copies are available from any UTS Student Centre or from: http://studyassist.gov.au/sites/StudyAssist/

Read this booklet prior to completing and submitting your application form which is available electronically through ‘My Student Admin’.

After lodging your ‘Request for FEE-HELP assistance’ form you need to ensure that it has been received and approved. If you have lodged an e-CAF online and it is accepted it will automatically say it has been approved.

You MUST check the status of your application. Remember that this is a loan application; information provided must be correct and complete when submitted.

You are responsible for tracking your FEE-HELP balance (current lifetime limit in 2016 is $99,389) via the myUniAssist link on the http://studyassist.gov.au/sites/StudyAssist/ website. You will need your Commonwealth Higher Education Student Support Number (CHESSN). The website will indicate the date up to which the information is current. You will be required to pay back to UTS any monies you borrow over the limit.
You can check your e-Invoice to determine if you are currently entitled to defer your tuition fees to FEE-HELP. Look in the ‘Deferrable’ column for either ‘Yes’ or ‘No’.

Note: FEE-HELP applications are course specific. You must lodge a new FEE-HELP application when transferring to another course (Internal Course Transfer) or starting a new course.

NEW ZEALAND CITIZENS
As a New Zealand Citizen you may be entitled to defer your fees through HELP. Further information to determine your eligibility is available on the UTS website.

STUDENT SERVICES AND AMENITIES FEE (SSAF)
SSAF payment due dates are published on the UTS website.

The Student Service and Amenities fee (SSAF) is levied in both Autumn and Spring sessions. The SSAF is used to fund a range of student services and amenities of a non-academic nature. The fee in 2016 will be charged per session at:
- Full-Time Rate (18cp or more) - $145.00
- Part-Time Rate (17 cp or less) - $72.50

If you are an Australian citizen, the holder of a permanent humanitarian visa or an eligible New Zealand citizen, you may be entitled to defer your fees through SA-HELP. To defer the fee, you must submit a ‘Request for SA-HELP assistance’ form via My Student Admin – please note SA-HELP is a separate government loan scheme and the SSAF cannot be covered by HECS-HELP.

If you have previously lodged a ‘Request for SA-HELP assistance’ form you may already be eligible to defer. Please check your invoice to confirm if you are currently eligible - look in the ‘Deferrable’ column for either ‘Yes’ or ‘No’ – if it says ‘Yes’ a new form is not required.

Please note the SSAF is compulsory and exemptions or waivers are not available.

LATE PAYMENT FEES AND PENALTIES
You may pay your fees in instalments provided the final instalment is received by the standard due date. You must pay in full no later than the due date applicable to each of your subject/s in order to avoid incurring a $150 Late Payment Fee.

Further delays will result in restricted access to UTS online facilities such as email and ‘My Student Admin’, subject results and other documentation. Graduation is not permitted unless all outstanding fees are paid. A further $250 late payment penalty may be charged and you risk cancellation of your enrolment.

Please note that in extenuating circumstances, and with prior approval in writing from this office, a short extension of time to pay may be available - the late payment fee will still apply.

Alternatively you may apply for FEE-HELP assistance if you are eligible (see above).

THIRD PARTY PAYERS AND EMPLOYER PAYMENTS
Timely payment of fees always remains the student’s responsibility. If you have a private arrangement for someone other than you to pay your fees (e.g. your employer or a scholarship provider) you must ensure that payment is made by the date indicated on the tax invoice. You remain individually responsible for the payment and for any penalty incurred due to late or non-payment of fees.

CANCELLATION OF ENROLMENT
Students who do not pay their fees in full (and who have not applied for and been accepted for FEE-HELP) by the designated due date, risk having their enrolment cancelled. Cancellation of enrolment means removal of all subject/s in the relevant study session/s, and the risk of complete withdrawal from the course.
