May, 2015

Hi

We’re kicking the month off with exciting news that UTS is now the #1 Young University in Australia according to the Times Higher Education 100 Under 50 rankings for 2015. UTS ranks 21st overall in the top 100.

We’re also celebrating UTS Communication ranking f1st in NSW and 44th in the world in this year’s QS World University Rankings by Subject, from more than 3,467 institutions evaluated. We’re thrilled with the results and excited to continue to deliver world-class education and training to our students.

Cheers,
UTS Future Students Team
Pallavi, Janice, Aziza & Allison
