Hi

Welcome to the first edition of UTS Careers Advisers and Teachers’ InBrief for 2015.

This monthly ecommunication aims to equip you with the most up-to-date UTS info, to help you inform your students about events, deadlines, news and their course and entry options at UTS.

Our first event for the year, Career Advisers and Teacher Day is coming up next month on Thursday 19 March. You can register your interest to attend below.

UTS course guides are also off to the printers and will be delivered to schools in early March. We’ll include a link to order more guides for your students in next month’s edition of InBrief.

And lastly, we’re welcoming a new member to the team, Pallavi Sharma. Pallavi, a former UTS student ambassador and Business graduate, has recently completed a 6 month position within the UTS events team. She will be your primary contact for all school visits and career market activities and can be contacted on future.students@uts.edu.au.

We look forward to working with you in 2015.

Cheers,
UTS Future Students Team
Janice, Aziza, Pallavi & Allison

WHAT’S ON
UTS Careers Advisers & Teachers Day
CITY CAMPUS, 19 MARCH 2015

Join us on campus to learn about our new courses and course changes for 2015. We'll also run tours of our newest buildings, including the much anticipated Dr Chau Chak Wing Building. Invites will be posted to schools over the coming weeks. If you'd like to be contacted direct by email, register below.

UTS Business Help for First Years
UTS CITY CAMPUS

Starting university is exciting, but also challenging. A UTS Business School program matches first year students with student mentors who remember exactly what their first year was like, and together they tackle some of the world's 'wicked problems'.
