UTS attempts to secure quality temporary accommodation close to campus at a reasonable price for AusAID Sponsored students prior to their arrival to UTS. Students who stay in hostel accommodation will generally be in single room and can cost from A$79 per night, with shared bathroom with travellers from around the world.

If you are unable to share a bathroom with the opposite sex for religious reasons, please advise us as soon as possible and we will modify your booking with the hostel.

Request for temporary accommodation must be made at least TWO weeks prior to your arrival and must be emailed to sponsored.student@uts.edu.au

Once a booking is made, you are committed to that booking. If your airport pick-up or accommodation needs change (for example, if after sending the form, you arrange to be met by a friend in Sydney and/or to stay at their house) please email sponsored.student@uts.edu.au immediately, so that arrangements can be amended. This must be done at least 5 days before your arrival. If cancellation or amendment is not received at least 5 days' notice, you will be responsible for all associated costs of that accommodation or airport pick-up.

It is a good idea to look at the long-term accommodation options before you come to Australia by visiting UTS Housing Service website (www.housing.uts.edu.au) for more information and advice on finding accommodation.
