

# UTS Prize Conditions of Award

## Ortho-Clinical Diagnostics Prize

### Faculty: Science

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and UTS in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

#### **1. PRIZE NAME: Ortho-Clinical Diagnostics Prize**

#### **2. PURPOSE**

To award the student who attains the highest mark in the subjects 91563 Haematology 1 or 91401 Immunology 1.

#### **3. VALUE AND BENEFIT**

##### **3.1 Number of Recipients:**

One (1) Recipient will be awarded the Prize each year.

##### **3.2 Benefit/s to Recipient:**

The value of the Prize to the Recipient is \$250, and is comprised of a cash award.

##### **3.3 Payment of benefit/s:**

- The Recipient will receive one payment of \$250 by electronic funds transfer to his/her nominated bank account.
- A certificate of award will be presented to the Recipient at the Science Scholarship and Prize Giving Ceremony.

#### **4. ELIGIBILITY CRITERIA**

The Recipient must:

- be enrolled as a student in a Science undergraduate degree course in the year for which the award is made; and
- receive a result in either 91563 Haematology 1 or 91401 Immunology 1 in the year for which the award is made, and
- not have had any prior results in this subject.

#### **5. RECIPIENT SELECTION CRITERIA**

- The highest final overall mark awarded in the subject 91563 Haematology 1 or 91401 Immunology 1.
- In the event that two or more eligible students have the same highest weighted average mark, the following criteria will be considered:
  - Performance in 91563 Haematology 1 or 91401 Immunology 1 outside of formal assessment that demonstrates mastery of and engagement in the subject;
  - Overall performance in the student's award course, including whether the student has failed subjects, received academic cautions or had a finding of misconduct made against them.

#### **6. SELECTION**

- The Recipient with the highest weighted average mark will be identified according to the eligibility and recipient selection criteria as provided in clauses 4 and 5;

- In the event that two or more eligible students have the same highest final mark, a selection committee chaired by the Dean (or nominee) together with a minimum of two (2) people will select a recipient based on the specified selection criteria in clause 5;
- The nominated Recipient will then be formally approved or declined by Faculty of Science based upon the selection criteria in clauses 5 and 7.

#### **7. OTHER CONDITIONS**

The Faculty of Science may decline to offer the award to a Recipient who achieves the highest WAM where that mark is less than 75D.
