

UTS Prize Conditions of Award

The Victor E Shalala Memorial Achievement Award

Faculty: Engineering and Information Technology

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and UTS in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

1. PRIZE TITLE: The Victor E Shalala Memorial Achievement Award

2. PURPOSE

The Prize was established by the Shalala family in 2005, the year in which Victor Shalala would have completed his Civil Engineering studies. Victor Shalala died in 2002 while an undergraduate student of Civil Engineering at UTS, and as a memorial to their son, the Shalala family wishes to recognise high achievement by a UTS Civil Engineering student.

3. VALUE AND BENEFIT

3.1 Number of Recipients:

One (1) Recipient will be awarded the Prize each year.

3.2 Benefit/s to Recipient:

- The value of the Prize to the Recipient is \$300, and
- The Recipient will also receive a Certificate of Award.

3.3 Payment of benefit/s:

- The Recipient will receive one payment of \$300 by either cheque or electronic funds transfer, and
- A Certificate of Award will be presented at the Faculty of Engineering and Information Technology prize-giving event.

4. ELIGIBILITY CRITERIA

To be eligible for the prize, the Recipient must:

- Have completed the course C10061 Bachelor of Engineering Diploma in Engineering Practice or C09067 Bachelor of Engineering (Honours) Diploma in Professional Engineering Practice in the relevant academic year prior to the Faculty of Engineering and Information Technology prize-giving event, and
- Have completed the course with a major in Civil Engineering.

5. RECIPIENT SELECTION CRITERIA, IN PRIORITY ORDER

- The eligible student with the highest final Weighted Average Mark.

6. SELECTION

- The Recipient with the highest final Weighted Average Mark will be identified by the Faculty of Engineering and Information Technology Academic Administrative Officer on the basis of the selection criteria as provided in clauses 4 and 5, and confirmed by the Associate Dean (Teaching & Learning).
- In the event that two or more eligible students are ranked equally, a selection committee of the Dean (or nominee) (Chair) and a minimum of two (2) people will select a Recipient based on

performance in the Bachelor of Engineering or Bachelor of Engineering (Honours) outside of formal assessment that demonstrates mastery of and engagement in the course.

- The proposed Recipient will then be formally approved or declined by Dean, Faculty of Engineering and Information Technology (or nominee).

7. OTHER CONDITIONS

Not applicable.
