

UTS Prize Conditions of Award

John Heine Memorial Foundation Continuing Education Prize

Faculty: Engineering and Information Technology

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and UTS in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

1. PRIZE TITLE: John Heine Memorial Foundation Continuing Education Prize

2. PURPOSE

The Metal Trades Industry Association of Australia (MTIA) established the John Heine Memorial Foundation in 1950 in memory of John Heine, who did much to advance the cause of the metal trades industry. The Foundation offers support and encouragement by awarding a major prize annually to a high performing student majoring in Mechanical Engineering or Mechanical and Mechatronics Engineering. The prize aims to mitigate the costs of continuing education in Mechanical or Mechatronic Engineering.

3. VALUE AND BENEFIT

3.1 Number of Recipients:

One (1) Recipient will be awarded the Prize each year.

3.2 Benefit/s to Recipient:

- The value of the Prize to the Recipient is \$10,000, and
- A Certificate of Award.

3.3 Payment of benefit/s:

- The Recipient will receive payments up to the value of \$10,000, by electronic funds transfer.
- A Certificate of Award will be presented at the Faculty of Engineering and Information Technology prize-giving event.

4. ELIGIBILITY CRITERIA

To be eligible for the prize, Recipients must:

- Be enrolled in C10061 Bachelor of Engineering Diploma in Engineering Practice or C09067 Bachelor of Engineering (Honours) Diploma in Professional Practice, and
- Have a major in Mechanical Engineering or Mechanical and Mechatronics Engineering, and
- Have completed 103-150 credit points in C10061, or have completed 121-168 credit points in C09067, and
- Have a Weighted Average Mark ≥ 75 .

5. RECIPIENT SELECTION CRITERIA, IN PRIORITY ORDER

- Leadership in engineering
- Community service
- Academic achievement
- Other personal attributes.

6. SELECTION

- Eligible students are invited to submit an application addressing the selection criteria.
- A Selection Committee of the Dean (or nominee) (Chair) and a minimum of two (2) relevant academics, and a representative of the John Heine Memorial Foundation will rank the applicants on the basis of the written applications and the Recipient Selection Criteria.
- The Selection Committee will invite the top 4-5 ranked applicants to an interview with the Selection Committee.
- The Selection Committee will then select the Recipient of the Prize on the basis of the interview and the Recipient Selection Criteria.
- The proposed Recipient will then be formally approved or declined by Dean, Faculty of Engineering and Information Technology (or nominee).

7. OTHER CONDITIONS

- All expenditure of prize money must be for the purpose of continuing education in Mechanical or Mechatronic Engineering. Payment from the Foundation is on agreement of expenditure. There may be multiple payments up to the value of the prize, but all prize money should be claimed within 18 months of award.
- The Prize can only be awarded once to any Recipient.
