Applying during UTS Science Postgraduate Information Session

Take advantage of this opportunity to apply without paying an application fee during UTS Science Postgraduate Information Session. All applicants must bring the necessary supporting original documentation listed below.

1. An official academic transcript or record of study (note: transcripts printed from institution websites will not be accepted. Current UTS undergraduate students do not have to provide this. Current undergraduate students from other universities will need to provide official academic transcripts of subjects completed so far)
2. Evidence of completion of study if this is not stated on the academic record
3. Evidence of name change if applicable
4. Translations of any documents not in English
5. Proof of English proficiency if medium of instruction at undergraduate level was not in English (e.g. IELTS)
6. If your previous studies were undertaken overseas and FULLY in the medium of English, a letter from the home institution on University letterhead to confirm that you have completed the course in the English medium
7. CV which demonstrates professional experience and activities
8. Passport (note: international applicants only)

If you do not have all of this information, the University prefers that local students apply online via the Universities Admissions Centre (UAC) www.uac.edu.au as UAC can get your results electronically and chase up any other issues relating to your application, and international students apply directly to UTS International www.uts.edu.au/international.
