Study Abroad and Exchange at UTS: Law

As a study abroad or exchange student, you may design a program of subjects from more than one faculty at UTS, provided you enrol in 24 credit points of full-time study.

Law subjects are either 6 or 8 credit points each. In other faculties at UTS, however, subjects are offered at different credit point levels, so it is important to make sure that you satisfy the credit point requirements when choosing your subjects.
