

## Study Abroad and Exchange at UTS: Public Policy and Governance (DAB)

As a Study Abroad/Exchange student, you may design a program of subjects from more than one faculty at UTS (provided you enrol in 24 credit points of full-time study). Public Policy and Governance subjects are 6 credit points each. Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Please note: This guide focuses on key study areas to locate our more popular Public Policy and Governance subjects. In addition to the subjects in this guide, you can search for **all** subjects and majors using the [UTS Handbook](#).

### When can I study?

Study Abroad and Exchange is available:

Period	Category	Period	Category
February – June	<b>A:</b> Autumn Session	August – November	<b>S:</b> Spring Session

### Please note:

- In Australia, **Autumn Session** occurs in the first half of the year. **Spring Session** occurs in the second half of the year.
- If you apply for a subject with one or more prerequisites, you will need to demonstrate that you have the prior skills and knowledge necessary to undertake the subject.
- Most subjects are offered in both sessions, except where indicated **A** or **S**. Please check the timetable in case of a change.
- Subjects offered in **A:** Autumn Session or **S:** Spring Session may be subject to change.
- Undergraduate students are not normally permitted to study postgraduate subjects.
- Sessions include the examination weeks. Should you leave the country prior to attending and completing the assessments, you will not receive a grade/mark for your exam or quiz or any other assessments.
